## Presidents Corner

All members of your board and I want to thank the membership for a great first half of the year, we as a community had a lot of success in getting something done to help our community to become better. Of course we still have a lot to do; as we prepare to move into the last part of 2012 your board will be asking for your help in fulfilling the remainder of our calendar. Please check your schedule so you will be able to be a part of our success.

Thank you all that attended our meeting on 9/11/12. Mr. Tommy Adkisson, our County Commissioner, and part of his staff were our guest. We had a great meeting they gave us a lot of great information concerning some of the problems we have and didn't know how to get them fixed. They gave us some answers and offer their help when we need it.

As you all know our Holiday Light Up Contest is coming up in December, and as all of you know every year we have a lot of issues with some of our members having concerns about how we do the judging. When I became President I promise that we would look at how we pick our winners, I ask you, the membership, if you have any suggestions or recommendations please let me know what they are.

*Milton Jones, MRNA President*
