From the President...

Hello Friends and Neighbors,

As we start a new year with new Board members and new officers, I would like for everyone to know that we intend to continue the great neighborhood traditions and events that have made this such an interesting and fun place to live. I would also like to focus on what could be called the beautification of the neighborhood. By this, I mean a concentrated effort on everyone's part to make Schnitzelburg the cleanest neighborhood in the city - branding Schnitzelburg as a "litter-free community"!

For the most part, we are doing a good job but there are areas of certain streets that could use some help. If we could get neighbors to not only throw trash in proper receptacles but also to stop and pick up any litter in front of your house or your close neighbors, we will be well on our way to this goal. Litter is the worst but other things like leaves and the inevitable weeds also take away from the beauty of the area. I would like for us to strive to emulate the old pictures that appear on our Facebook page where, if you look up and down the streets, you don't see anything but completely clean streets and sidewalks. I have heard many stories about how the previous generations would be seen out sweeping the gutters or curbs in front of their houses. Hopefully, we can get back to that.

In future articles, I will talk about other goals for SACC such as greater transparency, outreach on our part for more general membership attendance and participation, and increased collaboration with the Germantown/Paristown Neighborhood Association. See you around the neighborhood,

Mike Morris

ATTENTION PLEASE!

If you receive the SACC newsletter via home delivery, this will be your last home delivered issue unless you contact **Kathy Lang** to request home delivery. The newsletter is available online, via email, or at the local businesses listed on the back page of this newsletter. Any business with the SACC crest next to their name carries the newsletter. However, if you don't have computer access and find it difficult to pick up a newsletter at one of the businesses, we will be happy to continue your home delivery, but you must call Kathy Lang at 931-2014 with your address before Feb. 28th.

SACC General Meeting

The SACC continues to evolve, just like our beloved neighborhood. In that spirit, we want to invite ALL of the residents and anyone that loves Schnitzelburg to a very special meet and greet on February 25th. We will have activities for the children, food and soft drinks, door prizes, a 50/50 drawing, and plenty of time to ask questions of the board members, make suggestions about the direction of the SACC, and just have fun! We'd also like to start a new tradition of collecting for some of the local food pantries. This first meeting, we will be collecting canned goods for Zion United Church's pantry. They have made a request for canned tuna. If you are able to bring a canned good or two, it would be appreciated.

From the Vice President...

If you have never attended a Schnitzelburg Area Community Council meeting, I would like to extend an invitation to each of you on behalf of the entire board. If you've never been, consider this an introduction, and if you have been, please come back and get reacquainted with us. A very exciting neighborhood meeting is planned for Monday, February 25th at 7pm at the St. Elizabeth's cafeteria on Burnett. This meeting is open to all ages; please bring your children if you like. More details are in this newsletter.

The outlook for 2013 in Schnitzelburg is a bright one. I think you'll find that being a part of the SACC is a good fit for everyone. Do you like pets? We have a dog walk and pet fair in October. Do you like nature and plants? GoGreen Germantown is more than happy to put you to work planting trees and flowers. Are you upset about litter in the neighborhood? Stay tuned for scheduled trash pick ups and other beautification plans. If you're interested in history, more history walks are planned in the neighborhood. The tradition of the Dainty contest and the annual #1 Citizen's Dinner will continue to provide things that are uniquely Schnitzelburg. Stay tuned as we work to introduce new events while maintaining beloved ones.

We are working to make our general meetings more interactive and appealing to a broader base of our neighborhood. So please, get to know the "new" and "old" Schnitzelburg.
