events of importance and items of interest
to our community, meet your neighbors,
plan projects to be involved in

Thank you to former president Dick Durland and wife Sandy

A big **Thank You** goes out to Dick Durland who
ran the Sherwood Neighborhood Association
for many years as president. Dick coordinated
several events like Make a Difference day,
Chipper Day and others. Your many years of
service are appreciated by all. The group has
been inactive for a couple of years and now Dick
is ready to turn over the responsibility to new
volunteers. We will be asking for new people to
become active in helping.

All are welcome to join in.

What would you like to see from a neighborhood association?

Our Association can be as active and involved (or
not) as we decide to be. What kind of information
would you like to see in our newsletters? What
kind of guest speakers would you like to see at
our meetings? Are there any special events that
someone would like to coordinate? These are
the things we will be talking about at our first
meeting. To start we will plan on having at least
one meeting per year but we could go up to 3 if
there is enough interest.

Thank you to Anita Dunn at St. John's

Thank you to St. John Lutheran Church for
allowing us to use their meeting room. St. John is
located on Highway 99 right in the middle of our
boundaries. We appreciate the goodwill gesture.

Please get involved and join in!

I am acting as interim President. We will be
looking for people to join the board and to fill
officer positions at our meeting. Please call or
email me if you have ideas or suggestions you
would like to share.
