Project will provide improvements to Seeling Channel from Woodlawn Lake to Wilson to reduce flooding along the Channel. This project is working in conjunction with the Woodlawn Lake Park Project.

Week of February 25, 2013

- Mass excavation of Seeling Channel will begin Monday, Feb. 25, weather permitting.
- Surveying activities will continue throughout the site to locate the new channel limits and Josephine Tobin Bridge.
- Contractor will begin preparing to bore under the Kampmann outfall for the installation of a new 30" sewer line parallel to Woodlawn.
- The drilling of the new piers for the Josephine Tobin Bridge is estimated to begin the week of March 4, weather permitting.
- Seeling Channel will continue to be dewatered and dried out throughout the week.

Project Safety

- Please obey all warning signs in and around the construction site.
- Please observe all street warning and detour signs as they will change during the duration of the project.
- Please do not enter the construction site for your safety.
- Please be cautious of construction vehicles traveling across Josephine Tobin near the channel.
