Happy Spring to everyone! It's time to get together again and share the many events and opportunities available in our neighborhood. Our goal is to share information about our community and get more citizens involved in making it a better place to live.

NEW NEIGHBORHOOD WEBSITE : [http://www.neighborhoodlink.com/Sherwood\\_NA](http://www.neighborhoodlink.com/Sherwood_NA)

Thank you to board member Bob Spinuzza for setting this up and maintaining it. Bob has done a great job of compiling email addresses and sending out the newsletters and meeting minutes electronically. We are hoping to get many people registered for the website and will continue to build our list of email contacts.

NEW DEPUTY LIAISON FROM CLARK COUNTY SHERIFF OFFICE IS DEPUTY BRIAN WADE. Our executive board met with Deputy Wade in February to introduce ourselves and tell him about some of our local concerns. He will try to attend our meetings if possible (he is on duty so it depends on how busy the Sheriff's office is).

HIGHWAY 99 CONTINUES TO BE A CONCERN- we have been collecting signatures to present to the Board of Clark County Commissioners to bring attention to Highway 99 and the urgent need for sidewalks on the stretch from NE 99th St north to 117th St. There is a small part of sidewalk going in near the new Chuck's Produce store but it is only on one side of the street and there is still nearly a mile that has no sidewalks whatsoever.

EMERGENCY PREPAREDNESS AND COMMUNITY SAFETY- at our last meeting there were some questions about disaster planning and public safety. We will have information available about the Red Cross, CERT and other agencies/ programs that address this issue.

TRAFFIC UPDATE-ROAD CONSTRUCTION AT 50th AVE and 119th St: this intersection will be closed for about 5 months starting in mid May while the stop light is built.
