

## President's Message

Springtime has arrived in Texas. Get ready for the pollen. I hope everyone can attend the Associations meeting Monday the eighth. I also encourage you to participate in the annual spring cleanup of the neighborhood. We have that dated for the Saturday after the meeting but the City of Fort Worth is having its cleanup this weekend. We will be getting shirts for the first twenty helpers this Saturday and if everything does not get done we can try the following Saturday. Meet at the park at nine in the morning and we will have hotdogs when we are done at my house. This cleanup will be publicized only be the newsletter because it is to happen the Saturday before the meeting. If you can make it please bring a friend.

We are making progress on the directory and don't forget that twenty buck dues assessment that can be given at the meeting or mailed to WLHNA, PO Box 8656, FW TX 76124. Donations for the security cameras are also welcome. Please give us your e-mail and phone that can be contacted in an emergency. Visit the [whitelakehill.org](http://whitelakehill.org) web site for more information.

Thanks to the people who helps make the Easter egg hunt work. Special thanks to the bunny. I think her name was Hop Along.

### COPS Recognition

The East Fort Worth Business Association recognized White Lake Hills COPS as one of two "Outstanding Organizations for 2012", the other being the White Lake Hills Neighborhood Association. The awards were presented at the Associations annual 2012 pre-holiday banquet.

Recently (3/19/13), an individual member of WLH COPS was chosen to receive the Chuck Silcox Award at the Annual FWPD COPS Appreciation Luncheon at the Will Rogers Center. Mary Ross was recognized as a model of Determination, Perseverance, Steadfastness, Resourcefulness, and Deliberateness in her COPS duties, and commended for working tirelessly to benefit White Lake Hills' safety & security, exceeding patrol expectations, and always being ready to volunteer for additional responsibility.

### COPS Needs You

We are always looking for new COPS patrollers. With approximately 550 residences and 16-miles of street to monitor during 4 shifts, 7 days each week, we currently have 40 available volunteer patrollers. While statistics show that WLH is currently safer than surrounding neighborhoods, CRIME is always a threat. If you or any of your neighbors are not yet members of Citizens on Patrol and have an interest to serve, please consider a personal investment in the safety & security of our neighborhood. Once training is completed, COPS duties will take no more than a few hours of your time each month. Give me a call at 817-457-4457 to discuss. Hope to hear from soon.

Mike Brooks, Captain – WLH COPS

## Crime Report !

### Neighborhood Crime Activity

While neighborhood crime has diminished over the past few months in both number and severity, it remains an ongoing threat.

November 2012

1 – Breaking & Entering; theft of electronics/valuables (Green River Trail)

December 2012

No reported incidents

January 2013

No reported incidents

February 2013

1 - Robbery; suspect known to resident (Boulder Lake Court)

March (thru 3/20/13)

3 - Thefts from motor vehicles (2 - Green River Trail, 1- Marble Falls Road)

Recent thefts from motor vehicles highlight the importance of parking cars/trucks in garages instead of on streets and driveways. Residents and their visitors should never leave valuables or personal items in plain view inside vehicles if parked outside. And.....always keep garage doors closed.

### BEAUTIFICATION

It takes lots of work to keep our entrances looking clean, well-kept and watered. We always are looking for a few men, women and youth who want to work in the garden. If you are interested please call, Peggy Terrell at 817-909-5623 or 817-457-1507. We all want to thank Larry Vosberg and John Cortez for their hard work at St. Lawrence. Larry has come to the plate in making some changes in our entrances at St. Lawrence and Willow Ridge. Let's all help and support in these efforts.

## Directory updates

We are in the process of putting together a new neighborhood directory. This directory serves a couple of purposes. One is to make it easier to reach out to your friends and neighbors. More importantly is to make it easier for the members of our COPS program to reach out to you should the need arise. None of the information submitted will be shared with individuals outside of the neighborhood, and you may request that your name and phone number not be published if you wish.

Please send updates to [directory@whitelakehills.org](mailto:directory@whitelakehills.org). Get them in as soon as possible so that we can have the directory ready later this year.
