## **Community Updates**

- NCC did a safety review of the stop signs and park area. There is a new “Slow Children Playing” sign located at old park stop sign.

- After the safety review, NCC determined that we do not need lines drawn at the stop sign by the old park. There were no reports called in for speeders or safety incidents and the speed humps are within the allowed perimeter needed.
- Mosquito Spraying – An aerial spray was done the first week of April. The Development will be sprayed in August.
- Rain barrel for front sign – We will be looking at purchasing a rain barrel for the front sign to collect water for watering the flowers/trees.
