**HERITAGE GLEN CONDOMINIUM
ASSOCIATION, INC. Is Now Online!**

Our condominium association now has a Web site! Our new Web site includes information about Heritage Glen Condominium Association, an online newsletter, a list of the local schools in our neighborhood, and community pages about issues and events that affect our neighborhood. Links to city government officials and services, including the police, make it a great communication channel. We are adding more content all the time. Please suggest any additional items you would like to see placed on the web site.

Our new Web site is not just an information source, but also a place for all neighbors to be connected on the Internet. Want to tell people about an upcoming meeting, garage sale, or lost pet? Then post a notice in the "Community Calendar". Want your own personal Web page? Then create one in the "Meet Your Neighbors" section - tell people about yourself, your family, your hobbies, or your interests. Concerned about a neighborhood issue? Talk to your neighbors - solicit new viewpoints. Go to the "Talk About It" section and create a new discussion.

This is our Web site - anyone can use it - and it's easy to use! You don't need any special computer skills to post information to the site - simply fill out forms and the information is posted! All you need is Internet access - everything is in an extremely user-friendly format.

So check it out! Our new Web site can be found at:

HAVE YOU SEEN THE SWANS IN THE POND?

Thank you to Wilders and Snyders for purchase of the "Swans." I know several individuals thought these were real. Unfortunately, the geese know the difference and do not seem to shy away from them.

These are not swans but ... did you see 2 men in a boat on the pond?

Tim Fletcher and Dave Conor cut down many of the weeds and bushes in the pond - Thanks Tim and Dave. It was a sight to behold!!! They made it back to shore safe and sound.
