A Reminder about the City Ordinance on Leaf Blowers

We all like to enjoy our yards, pools, and patios in the evenings, but the peace and quiet is often spoiled by the noise and dust of leaf blowers. Please observe the city ordinance on this topic:

(Pasadena City Ord. 6845 § 3, 2000: Ord. 6227 § 1 (part), 1987)

"It is unlawful for any person to use or to operate, or cause to be operated any type of leaf-blowing machine or device within a residential area before 8:00 a.m. and after 6:00 p.m. Monday through Friday; before 9:00 a.m. and after 5:00 p.m. on Saturday; or at any time on Sunday."

Let Your Neighbors Know What You Do

Have you ever needed a computer repair person, plumber, or electrician right away but didn't know anyone you could reach quickly? Someone who does exactly what you need may live right down the street from you.

The UHRA board members have thought of a way to keep business in the Ranch and help neighbors find neighbors quickly. We are thinking about creating a magnet listing professionals in the neighborhood. For \$25 you could list your name, business, phone number and email address. The listing would be placed on a refrigerator magnet which we will update annually. Interested in getting more information?

Please e-mail TiffanyAGardner@gmail.com to find out how to get started.

Please note: This notice is being reposted in case people missed it in the last issue.

Meeting Each Other, Sharing Ideas

The Upper Hastings Ranch board members hosted a thank you brunch for the block captains at Raffi's Catering and Banquet on June 24. Many block captains met each other for the first time, and each took a few minutes to talk about events happening on his/her street and to share tips about meeting neighbors, collecting dues, and organizing for holiday light up.

The UHRA board was pleased to see so many people at the first ever thank you brunch. The block captains are the board's best connection to the neighborhood. They help with distributing information and collecting dues, and if you have questions or suggestions for the board, they call one of the board members right away. They are all volunteers, and the board members appreciate their work. Do you know your block captain? Would you like to volunteer to be a block captain? Please contact Kjell Kling or Tiffany Gardner (see contact information on the back of The Lariat) for more information.

We Want to Hear Your Story

If you have stories about early Upper Hastings Ranch, we want to hear from you. Please contact Kathy Gregg by phone (626-351-8281) or email (kaaath74@yahoo.com). She will interview you for a future article for The Lariat.
