October Meeting

We'd love to have you join our meeting THIS Thursday, October 3, at 7:00 p.m. at the Academy of Success (525 Hurley Avenue). The Association gathers on the first Thursday of every month to hear exciting updates on things going on in our neighborhood, ask and answer questions regarding life in Gwynns Falls, and hear from Southwest District police officers on important issues. The Gwynns Falls Business & Homeowners Association is committed to serving you as best as possible, but we need to hear from you to know what things need to be done to better our living and working environment.

YOU are a significant and irreplaceable part of our community and we would love to see you Thursday evening and hear what is important to you. **We will be raffling off trash cans and recycling bins at our upcoming meeting.** Everyone in attendance will have a chance to win, there is no cost.

Become Part of the Team

The Gwynns Falls Business & Homeowners Association has a vacancy on the board. We are currently looking for someone to fill the vice president position. This is your opportunity to become better connected with local government and help to inspire positive change in our neighborhood. If you are interested, please contact Christopher Schulze (contact information to the left).

Get Connected with Resources

The Gwynns Falls Business & Homeowners Association can help connect you with a number of resources. Are you looking for a job, curious about a situation in the neighborhood, wondering what to do about illegal activity around you, or trying to get rid of bulk trash? Come to our meeting and we will connect you with resources to help in your situation. Part of our mission is to improve living conditions for everyone in our neighborhood and to increase property values through community improvement.

IF YOU NOTICE ACTS OF VANDALISM IN OUR NEIGHBORHOOD, PLEASE REPORT IT TO THE POLICE. THANK YOU!

There is reduced parking in our neighborhood, due to the detour from the Frederick Bridge closing. Please be considerate to your neighbors when you park. Please ensure that you only take up space for one car. Thank you.

Park Wish List:

1 gas powered weed-eater.

If you have any ideas for events you would like to see this year, please come out to our meeting or contact Christopher Schulze.
