Community Dog Walk August 6th ☐

In conjunction with the City of Atlanta Heritage Valley will be participating in National Night out for the second year in a row. We will meet at 7pm on Tuesday August 6th on the corner of Ingledale and

quality of life in the community. Please be courteous and ensure that you don't prevent others from enjoying their homes as you are enjoying yours by doing the following:

- Turn down music in your car and ask your guest to do the same as well as they enter HV.
- Ensure that trash and debris from your guests are removed from the community promptly.
- Keep noise to a minimum and ensure that it does not disturb neighbors.
- Consider where your guests will be parking; streets need to be clear for residents and emergency vehicles to pass.

Everyone has a right to enjoy their home. HV administration notifies homeowners of concerns that the community has expressed whenever possible. However; if you are being disturbed by a neighbor's noise level please call 911 and have the situation addressed immediately.

Introducing the Block Captains of Revere Road.

The needs and complaints of Revere Road are handled by two new block captains this year, Alyce Howell and Julese Glass. The next time you see them out and about please thank them for volunteering their time, energy and efforts to ensure that HV remains a wonderful community.

Name: Julese Glass

Resident: Over 30 years
What you like most about Heritage Valley: Location

Fondest memory in Heritage Valley: Trick or Treating & the holiday celebration's on Toll House Lane

What you would like to improve in Heritage Valley:
 First, I would like for more residents to become involved & participate in our neighborhood meetings (Very important & useful information is shared at these meetings by residents and the APD). I would like for neighbors to be considerate of others (Maintain your yard and peace & quiet). Lastly, I would like for HV residents to develop a united Neighborhood Watch (Create a "Buddy System" with people on your block for safety

Valley Ridge and walk the Heritage Valley Community. Last year HV was joined by Atlanta Police, Fire, Mayors office, Public works and the

Fulton County District Attorney's Office. This was a wonderful event last year and promises to be great in 2013 as well. Please bring your well behaved pet out as well as your entire family as we meet one another and show community pride.

Noise Concerns....

Summer is a great time for cookouts, gatherings, parties and fun. Nonetheless; we are asking that you also be mindful of your neighbors and the community. Over the past few months we have had continuous issues with neighbors disrupting the

Code Compliance it's the Law.

Every month HV officers report overgrown lots, abandoned cars, vacant homes and unsafe conditions to the Bureau of Code Compliance on behalf of residents in Heritage Valley. Residents may also report code violations to the City of Atlanta well by calling 404.330-6190 or by contacting a block captain or HV officer in an effort to keep our community looking nice and well groomed. Residents please maintain your properties this summer growing season.

Special Thanks to all that Participated in our Sprina 2013Events.

HV. Residents pose for a picture at Community Cleanup April

A wonderful time was had during our Spring 2013 events. The Heritage Valley hosted a neighborhood walk as well a community clean-up. During the 2013 clean-up residents cleaned up Fairburn Road, vacant lots in the community as well as the underpass at Mt. Gilead. We were elated to be joined by several new faces this year. During the neighborhood walk residents honored our beloved VP Althea Jones as they walked the neighborhood fellowshiped and slipped in exercise. Hopefully we will see you and your family at a future event in the neighborhood. Additional pictures of our past events can be viewed via our website!

H.V.A.C.A will recess for the summer... the next Community meeting will be Saturday September 28th
