## Welcome

Please join us at our monthly meetings. They are held every 2<sup>nd</sup> Thursday of the month. The location is held at the Cactus Wren Elementary School Cafeteria 9650 N 39th Ave, Phoenix.

The meeting times are 7:00pm to 8:30pm.

Everyone is welcome to attend. We are Neighbors that are actively working for the well being and safety of our neighborhood. We have joined together in our common goal: To increase neighborhood PRIDE and to decrease crime and blight. This is not a Home Owners Association meeting just neighbors with neighbors, everyone is welcome.

Recipes of the month

## Recipe of the Month

### Chocolate Lava Cakes

#### Ingredients

Baking spray, for spraying  
custard cups  
1 stick butter  
2 ounces bittersweet chocolate  
2 ounces semisweet chocolate  
1 1/4 cups powdered sugar  
2 whole eggs  
3 egg yolks  
1 teaspoon vanilla  
1/2 cup all-purpose flour  
Vanilla ice cream, for serving

#### Directions

Preheat the oven to 425 degrees F. Spray four custard cups with baking spray and place on a baking sheet. Microwave the butter, bittersweet chocolate and semisweet chocolate in a large bowl on high until the butter is melted, about 1 minute. Whisk until the chocolate is also melted. Stir in the sugar until well blended. Whisk in the eggs and egg yolks, then add the vanilla. Stir in the flour. Divide the mixture among the custard cups. Bake until the sides are firm and the centers are soft, about 12 minutes. Let stand 1 minute. Invert on individual plates while warm and serve with vanilla ice cream.

*ENJOY!*

What has the  
Block Watch done  
for your  
neighborhood

December 24<sup>th</sup> 2013 we had the first annual neighborhood luminaire lighting. The West Cinnabar Block Watch neighborhood was light up with splendor, as neighbors gathered to enjoy and evening out meeting each other.

First meeting of 2014.  
Topics discussed Placement  
of volunteer members, up-  
coming events,  
neighborhood planning and  
zoning. Officer Niver gave  
great information and  
addressed any concerns that  
the group had.
