Thank You For...

Properly Storing Your Trash Cans

We Are Good Neighbors

Outdoor garbage cans are an eyesore in an otherwise beautifully landscaped yard. Many homeowners have more than one trash can or they have extra large trash receptacles with wheels. Columbine West has a covenant that addresses trash cans, but simply stated, trash cans need to be stored "out of sight". If they are kept out of sight it helps make the neighborhood more livable for those who make Columbine West their home and more marketable for those trying to sell their homes. Some homeowners use their garage as a storage space for the cans. Others may choose to keep their trash cans behind their back/side yard fences. Whatever way you choose to store your trash cans, please take the time to insure that they are not visible from the street. It typically does not cost anything to store your trash containers properly, either in the garage or behind a wooden fence. Keeping trash cans out of site and secured behind fences also helps to provide a deterrent to wandering wildlife.

Trash attracts wild animals searching for food posing a danger for children and pets, and wind can blow cans over and scatter trash. The wind that blows throughout the foothills can take trashcans for a trip down the sidewalk, into neighbors yards and/or throughout the streets. It takes so little to make sure your trashcans are hidden and secured. The CWCA Architectural

Control Committee has been forced to sue some of the worst offenders in the past. Since the Court has always found in favor of enforcing the Covenants, homeowners are encouraged to abide by the Covenants and avoid the hassle and costs of the court enforcement process. The intent of the covenant is to encourage keeping our neighborhood looking well-cared for. Do you have a

creative way that you designed or constructed to hide your trash cans? Send us a photo or description, we would love to pass it on to others. There is a direct correlation between property value and community pride plus neighborhood enjoyment, when covenants are taken seriously and enforced. We sincerely thank those residents who appreciate and abide by the covenants. We also thank those who have received a violation letter and have taken action to resolve the issue promptly. The association strives to see our community defined by a sense of shared ownership and collective responsibility. One of CWCA's Mission statements is – *To initiate civic programs that bring the community together and encourage residents to maintain the general appearance of Columbine West.*

A Moment With The Board

At the February 11th CWCA meeting the Board conducted business as usual. The Membership Drive will begin in April, look for your membership card to arrive in the mail sometime in March. The budget is set at \$10,437.00. The two largest expenses are \$4,000 allotted to Dumpster Day and \$1,600 allotted for watering and weeding the entrances. Other fees include liability insurance, phone/message service, membership drive, neighborhood school support and other community events. The budget is based on acquiring 382 paid memberships, (plus extra donations) which calculates to 24% participation of Columbine West homeowners. More membership dollars along with community volunteers could secure additional community events. There is one Board position plus the office of Vice Pres. still available. CWCA is in need of more volunteers. Remember if you have any suggestion of ideas, call the voicemail, drop an email, just contact us. Look forward to hearing from the community. Residents are encouraged to attend any monthly meeting. March 11th, 7:00 p.m. at Dutch Creek Elem.

CWCA 2014 Membership Drive Starts in April

The annual membership drive will once again be looking for CWCA neighbors to sign up and join the efforts of the Association to create an inviting and caring community. Your membership dues give the Association the opportunity to maintain entrances, enforce covenants, support our local schools, team up with community organizations, sponsor special events such as the Community Garage Sale, and help neighbors dispose of unwanted materials by providing a Dumpster Day. With 1490 homes in the development the registration of 382 households in 2013 continues to give the neighborhood the funds to support important events. CWCA is encouraging all residents to become members and this year the deal is being sweetened. Everyone who turns in their membership dues by April 30th will have their names put in a drawing for a pair of Rockies regular-season tickets. Any and all hands are welcomed at any of the events or during the monthly meetings. Drop by, check out the meetings or activities, introduce yourself and meet some neighbors. Look for membership coupons to arrive in the mail the beginning of April. If you have any questions or concerns, please call 303-904-8218, leave a message and someone will get back to you. You may also email CWCAtalk@gmail.com. Dues and or donations can be mailed to: Columbine West Civic Association, PO Box 620026, Littleton, CO 80126. Help us help you restore property values and make Columbine West a great place to live.

NIC Mission Statement

A group of volunteer homeowners who welcome new residents, educate all Columbine West residents about covenants, zoning and county ordinances, while addressing issues pertaining to our community, and look for opportunities to improve and enhance our neighborhood.

A Rose Garden to Admire

As many as 15 inmates of the Jefferson County jail devote 40 hours a week to pruning, weeding, landscaping and otherwise caring for the thousands of roses in the Jefferson County Sheriff's Office (JCSO) rose garden. The Rose Garden does not use any taxpayer dollars, contains more than 400 varieties of roses, is built on the site of a former landfill, is the only public, inmate-run rose garden in the U.S., provides horticultural training for inmate workers. The garden, at the northeast corner of the county complex in Golden, is the only public rose garden in the United States to be planted at a jail and maintained by inmates. Through the jail's outside inmate worker program, detainees who have undergone background checks can reduce their sentences day-for-day by working as part of the "rose crew." Inmates receive training in horticulture and, specifically, in the planting and care of roses, resulting in a stunning display of blooms throughout the course of the summer. As one of only 133 gardens to be accredited through the All-American Rose Selection (AARS), the JCSO rose garden contains more than 400 different varieties of hybrid tea, grandiflora, floribunda, miniature, hardy shrub, Old Garden, Climbing, David Austin English and Dr. Griffin Buck hardy roses. Rose aficionados find the garden an educational place to learn about different varieties. In addition, the garden has new AARS winners every year, so the public can see how they look and how well they do. Established in 1993, the garden is a cooperative project of the Jefferson County Sheriff's Office, the Denver Rose Society and the CSU Cooperative Extension office of Jefferson County. The rose garden is occasionally the site of a wedding. All money spent on the garden comes via the inmates through their purchase of snacks and commissary items, and their telephone usage fees. No taxpayer dollars are used in the upkeep of the rose garden.

Attorney Needed

Are you a lawyer who would be interested in filling a vacancy? CWCA needs a lawyer to provide a wide range of services, ranging from in person legal advice, telephone advice and brief services (such as a legal letter, phone call or court document). We are a non-profit 501(c)3 and have budget allowances for legal counsel. Interested candidates should have some background in HOA functions. If you have experience/knowledge that might prove beneficial for our organization we would like for you to contact the voicemail line at 303-904-8218, and drop a resume to CWCA P.O. Box 620026, Littleton, CO 80162.

Columbine West Civic Association's mission statement is to "enforce the covenants and to protect the property values of the Columbine West homes". This is achieved by resolving covenant violations, maintaining a safe and peaceful community, initiating civic programs that bring the community together and fostering community pride among Columbine West residents. A candidate does NOT have to be a resident of Columbine West.

Deputy Hugs Program

Studies have shown that no single object calms a troubled child as quickly as a teddy bear. "Deputy Hugs" bears work with the Victim Services Unit, comforting frightened young victims of crisis or crime.

The program, which began in 1991, works as follows: for a donation of \$20, you can adopt "Deputy HUGS" for yourself or your child. At the same time, your donation will bring a "Deputy Hugs" into the life of a child in need.

Deputies carry the bears in their patrol cars and give them to troubled children whenever appropriate.

Donations

Our "Adopt-a-Bear for a Child's Sake" program takes community participation to be successful. Thank you for your support. For more information or to donate, contact:

Used Underwear or None at All? "Would You Rather" Uses Humor to Teach Personal Finance

The No. 1 fear of young people? Paying for college. According to a poll by Young Money, more than three in four students feel they don't know enough about personal finance. That's why DoSomething.org and H&R Block Dollars are joining forces for the second year to help by giving teens personal finance tips through a hilarious campaign called "Would You Rather." "Would You Rather" uses an interactive SMS text message experience that asks teens to choose between multiple penny-pinching situations. Since, on average, teens send more than 3,300 texts a month and text messages have a 99 percent open rate, it's an effective medium to reach young people. Beginning January 28, teens can challenge their friends to the experience and engage in a conversation around crazy ways to save money. For example, participants will be asked, "Would you rather A) take a date to the drive thru; or B) pick your date up on your Razor scooter?" The experience is followed by action steps and tips to get teens thinking about and saving for their financial future. To help raise awareness of the issue and encourage young people to participate in the campaign, actor Justin Long recorded a public service announcement. "I love this campaign because the situations are hilarious and it makes me want to learn how to save some cash," said Justin Long. "My favorite scenario: What would you rather do to save money? Only buy used underwear from a thrift shop or never wear underwear? Guess which one I picked..." Together, DoSomething.org and H&R Block are making an "adult" topic more accessible for young people. "Would You Rather" provides a fun way for teens to interact with friends and think about the realities of their financial future at a young age," said Kathy Collins, chief marketing

officer at H&R Block. "We're taking two topics many of us would rather avoid thinking about – saving and financial fitness – and making them relatable." To participate in the campaign, teens can text "START" to 38383 or visit dosomething.org/wyr.

Automated Voicemail Line

Columbine West pays for an automated phone message service that helps a community volunteer to direct calls to the correct individuals within the association. This service is NOT checked daily, but at least 3-times a week. The voice mail is not in someone's home, but merely a service that we use. **CWCA membership dollars cover the cost of having this service available.** It is important that you as a caller leave a name and number, if you want a response, and to please speak clearly and repeat your information. If research is necessary, it may take a few days to get back with an answer. The voice mail line at 303-904-8218, has been a very helpful tool for the community. You can also contact the CWCA by email at CWCATALK@GMAIL.COM.

Columbine Kiwanis Volunteer with Meals on Wheels

The Meals On Wheels Association of America is the national leadership organization supporting local, community Senior Nutrition Programs across the country. Numbering 5,000+ strong, these programs operate in all 50 states, as well as all U.S. territories. The Meals on Wheels model is proven and effective as it leverages a virtual army of over two million volunteers who day-in and day-out create an efficient and caring way to keep America's seniors happy, healthy and independent in their own homes. All told, Meals on Wheels programs serve well over one million meals a day to seniors in need through direct home delivery and congregate locations like senior centers. The Meals on Wheels Association of America is focused on empowering these local community programs to generate the support, create greater efficiencies and drive the innovation that will be needed to keep programs sustainable and our communities thriving for years to come.

Meals On Wheels Association Celebrates 12th Annual March for Meals Campaign. In the Month of March they will spotlight Meals on Wheels Programs across America and the seniors they serve. For the first time in the campaign's history, the Association has launched a national website (www.marchformeals.com) to support the efforts leading up to and throughout the month of March. March for Meals is the community by community nationwide celebration of the Meals on Wheels programs that keep our senior neighbors happier and healthier. These dedicated Senior Nutrition Programs collectively serve a nutritious meal, a warm smile and the safety check. This effort is the

product of a long standing, dynamic and effective public partnership between Meals on Wheels programs and the businesses, organizations, governments and volunteers who give so generously in their communities. If you are interested in possibly joining the efforts of the Columbine Kiwanis give them a call. Columbine Kiwanis is group of volunteers dedicated primarily to children in our local community. We also have fun at our meetings which include an interesting speaker and social events. Come check us out. Weekly scheduled meetings are on Wednesdays at 6:45 a.m. at Roberts Italian Restaurant, 6745 Ken Caryl Ave. Free breakfast for first time visitors. For information call, Ken Sweet 303-973-8253 or visit our Web Site at www.columbinekiwanis.org. Please use the printed coupon to attend a meeting and have breakfast for FREE.

Local 9Health Fair

Columbine United Church in Littleton is preparing to host the 9Health Fair on Saturday morning, 7am til noon, April 26th. You can register on-line now to reduce the time you might spend waiting in line.

The popular basic health screening is free; just show up at Columbine United Church, 6375 S. Platte Canyon Rd., on the morning of Saturday, April 26th, and register at the Fair. You also may register on-line for low-cost blood work and a number of other specialized tests and consultations. But you still can pre-register to save time. Everyone who attends the Fair does need to have one form of registration or the other.

To register and get more details, go online to www.9HealthFair.org. Click on "Find a Fair and Online Registration." Screenings may change based on medical professional availability, so please check back before you attend the 9Health Fair.

Clothesline Project

Each April, victim advocates host the annual Courage Walk for victims' rights at the Jefferson County Administration and Courts Building.

The Courage Walk features the Clothesline Project, a colorful display of t-shirts hand-decorated by crime victims as a way for

them to express their feelings about crime and its aftermath.

Victim advocates coordinate the shirt-decorating efforts among dozens of victims throughout the county.

The walk, which coincides with National Crime Victims' Rights Week, is free and open to anyone in the community. The purpose of the walk is to honor the strength and courage of crime victims, and to honor those who lost loved ones to violence.
