What is the Neighborhood Preservation Ordinance?

The Neighborhood Preservation Ordinance (NPO) is Chapter 39 of the

Phoenix City Code. It was established to prevent and address deterioration, blight and/or hazardous conditions that can negatively impact neighborhoods. It provides established minimum property maintenance standards for all structures and properties in the City.

1. Dispose of trash properly
2. Park in designated areas
3. Remove visible outdoor storage
4. Maintain fences
5. Remove inoperable vehicles
6. Keep vacant buildings secure
7. Maintain vegetation

DID YOU KNOW:

That the City allows you to have only two yard sales a year?

Yard Sale Guidelines FAQ:

How many yard/garage sales can I have per year?

The Zoning Ordinance limits the number of yard/garage sales at any residential property (house, condominium, apartment development, etc) to two sales within a twelve month period. Each yard/garage sale may not exceed three consecutive days.

Can I have a yard sale on the sidewalk or in the street?

No, yard sales should only be conducted on residentially zoned properties.

Can we have a community yard sale at our apartment/condominium?

Yes, if it is conducted in an approved common area and you have the permission of the property owner or Home Owner's Association (HOA). **Continued on page 6**

America's Trash Talks to **Keep Kids Alive!**

As spring nears, it's time to initiate your

"America's Trash Talks" educational campaign. We have several thousand **GEICO sponsored trashcan decals** available for your local initiative. **Keep Kids Alive Drive 25 Day**, May 1st, would be a great day to kick off your campaign.

"America's Trash Talks to Keep Kids Alive" is the latest initiative from **Keep Kids Alive Drive 25. GEICO** is on board as our **first national sponsor** and the **AAA Cornhusker Motor Club** in our **first state partner** - Nebraska. Initiatives are spreading quickly, including:

- Colonial Heights, VA
- Phoenix, AZ
- Lithia, FL
- O'Fallon, IL
- Omaha, NE
- Millbourne, PA
- Oro Valley, AZ
- Peters Township, PA
- Wichita, KS
- Fenton, MO
- Florissant, MO

The premise is simple; to get the **"Keep Kids Alive"** message out on the side of every trash can in America - both curbside and in alleys.

We welcome you to partner - through your neighborhood/homeowners association, local trash hauler, business, school, faith community, or civic organization (or all of these organizations working together).

NEWS FROM MOON VALLEY HIGH SCHOOL

Bon Travail Foreign Language Department

Posted on 2014/02/21

Each year, ASU sponsors a Foreign Languages Fair on their Tempe campus for high school students across the state. The purpose of this event is to allow

students to demonstrate their abilities in the foreign language which they are currently learning, and to encourage further studies in language as they move into higher education. French teacher Anne Kauffman and Spanish teacher Allison Gerard, along with fifty students represented Moon Valley at the occasion. Students participated in mini language lessons such as Russian, Turkish, Korean, and many more. They also had dance lessons and did some karaoke.

Moon Valley had two groups who placed in competitions. AP French students Maihan Alam, Framarz Alam, Rodrigo Bello, Jessica Bryant and Ryan Luy placed first for their Advanced Student Created Play receiving a perfect score. Honors French students Yessica Camacho, Mandi Cress, Angelica Mulvaney, and Lillian Vlaieva placed second for their Intermediate Student Created Play. What a fantastic way to enrich classroom learning and this is sure to be a tradition which continues on for our students.

Moon Valley's Robotics Team Show Their Skills

Posted on 2014/02/13

The Moon Valley Robotics Team recently conducted a scrimmage in preparation for their upcoming SkillsUSA Mobile Robotics Competition.

In all, 21 teams from 5 schools participated representing Cortez, Greenway, Independence, Sunnyslope and our very own Rockets. SkillsUSA is an organization which partners with students, teachers, and industry in order to strive for a skilled workforce.

All of the Glendale Union High School teams gathered at Moon Valley where Dr. Lora Zimmer led the group in a session which allowed them to construct robots and test their functionality. Said senior Crystal Ottoway of the scrimmage, "It was successful." And junior, Marcos Gonzalez added that "there was a lot of learning about fixing robots." They both felt that they were able to trouble-shoot which will serve them well at competition. Good luck to our future engineers and we know that they will represent Moon Valley and Glendale Union well.

Outstanding Community Service Cont...

Cindy Jones of the Alta Vista Neighborhood Organization and of the Cactus Park Community Alliance is a passionate person who works silently behind the scenes without expectations of recognition and provides support to promote community volunteerism and crime prevention techniques.

Cindy loves to socialize and shop for the best deals. Her Saturday schedule often includes waking early to stand in a food line to receive food distributions, not for herself but for neighbors in her community who are handicapped and unable to stand in the line for themselves.

After spending hours in line during all types of weather conditions, Cindy will selflessly redistribute the foods to her neighbors in need. If that is not enough, Cindy also spends many of her Saturdays shopping at garage sales and retail stores for items that she later donates to others in need. Not only does she donate these items to neighbors, friends, and family in need, but she donates these items to programs that include, but are not limited to, Foster Children Aging Out, Animal Cruelty Task Force, Desert Mission Food Bank, and Adopt-A-Family.

Cindy is an active member in her community and supports many blight and crime prevention techniques by talking to neighbors about issues and reporting issues as needed to the proper city departments. She attends numerous sister block watch events and community events in order to support their efforts. Cindy is a great promoter of Cactus Park Community Alliance Block Watch and PNP programs because she is passionate about the preservation of the well being of our communities.

When you are out and about on a Saturday or during an evening, look around for Cindy. Rest assured, she is probably doing something to better our communities and deserves our appreciation. Special thanks to Cindy Jones for all of her hard work and contributions and congratulations to her for being a Hero of District One!

*Special thanks to Robin Mofford for her contributions to this article

Trivia

What is the most powerful hand in poker?

Could you pass the US citizenship test?

When immigrants want to become Americans, they must take a civics test as part of their naturalization interview before an immigration officer. Could you pass it? The questions asked by the U.S. Citizenship and Immigration Services (USCIS) are usually selected from a list of 100 sample questions that prospective citizens can look at ahead of the interview. Candidates are not given multiple choices in the naturalization interview -- which is conducted orally -- and are expected to respond with complete answers. **See page 6 for a sample of questions.**

Yard Sales continued

The landscaped area surrounding a development is not an approved common area. Anyone interested in having a yard sale at a multi-family development should coordinate with the property owner and/or HOA since only two sales every twelve months are allowed per property.

What items can I sell?

The purpose of a yard sale is to allow residents to dispose of household items, clothing, furniture, etc. Residents may not use yard sales to sell vehicles, new or commercial items not intended for household use.

Can I have a yard sale on a vacant lot?

No, this is not permitted.

Who can I call if my neighbors are having frequent yard/garage sales?

Complaints can be reported to the City of Phoenix Neighborhood Services Department at 602-262-7844 or email blight@phoenix.gov.
