

I want to invite everyone residing in the Millers Ridge Neighborhood to our next MRNA General Meeting on Tuesday September 9th, 2014 at the Summit Ridge Community Center on Kitty Hawk at 7:30 pm. We will be having a guest speaker from Bexar County Sheriff's Office. Sgt. Blake Johnson is the area supervisor for this patrolling area. He has been a great help with many of the issues we have had facing our neighborhood.

This is one meeting you will want to attend, and I want to personally offer an invitation to all our new homeowners and residents to this meeting as we will be nominating members to our Executive Board as our election of officers will be in October. Our nominating committee still has several positions to fill and our chairman of the Beautification, Safety and Hazard Committee needs several more volunteers to help with neighborhood inspections and letters for compliance. Now is the time to step up and offer a helping hand to keep your neighborhood a beautiful and safe place to live.

I am looking forward to seeing everyone and meeting our newcomers at this meeting.

Milton Jones,  
President  
Millers Ridge Neighborhood Association

## Note From: Beautification, Safety and Hazard Committee

Many homeowners and Residents have been relaxed about their Garbage Cans. These cans are to be kept out of **PUBLIC VIEW**. There are cans all over the place. Please put them inside your fence or in your garage out of public view except on Sanitation Pick Up Days.

There are still several cars that are not in code and will be written up, also. If you cover your old car the flat tires have to stay covered. There will be letters going out on these this month if yours are not in compliance.

Bexar County Code Compliance has been helping us get the eye sores out of public view. They can take a homeowner to court and file a lien against your home if the fine is not paid. This has happened in the past.

We have been dealing with several issues that have been brought to our attention. We were notified that there have been several homeowners stealing electricity and another stealing water from their neighbor. This is theft and CAN BE PROSECUTED. If you have had anyone hooking up to your Electricity or Water without your permission call the Bexar County Sheriff's Office at **210-335-6000** and report it to C.P.S. or S.A.W.S.

It has been noted that there are people putting garbage in their neighbors garbage cans this is also stealing a service. This has been seen on Security Cameras. Please report this activity to Bexar County Sheriff's Office (**210-335-6000**.)

There have been many homeowners that have installed Security Cameras and they are really paying off. There have been several arrests for criminal activity, also.

We are here to provide a Beautiful and Safe Environment for your Neighborhood.
