

President's Corner:

I want to "Congratulate" all the winners in our MRNA Holiday Light Up Contest. They were all outstanding and I wish they all could have been winners. I want to thank everyone that decorated and participated.

I want to "Welcome" all of our new residents here in Millers Ridge. We welcome you and want to invite you to join and participate in the Millers Ridge Neighborhood Association. For those who have not paid their dues yet, please fill out the form and mail your check in. The MRNA depends on your Dues to pay for lights and the upkeep of the Marque. This is your neighborhood it is time to step up and join your neighbors in the up keep of Millers Ridge.

I have been working with Bexar County Public Works and we are first on the list this year for having many of our streets fixed and resurfaced. Many of our sidewalks are being leveled and redone. Please keep all cars and trucks off the street on Dunstable, Millers Ridge and Ludgate during the day. Street work will begin on February 1st, 2015 through February 25th, 2015 and they have requested that the streets be kept totally clear so they can do the best job for your street. If a car is parked in the street they will go around it and not replace or repave it.

I am still working on approval for a Spring Dump Your Junk and will keep you all posted.

I thank you for your support of the MRNA and look forward to serving the people of Millers Ridge this year. This is your neighborhood, please mail in your dues today!

Barry Hunt,
President, Millers Ridge Neighborhood Association

Bexar County Public Works:

The Guest speaker at the January General Meeting was Aaron Martinez with Bexar County Public Works (BCPW). Mr. Martinez spoke about the current and upcoming repairs that his department is doing in Miller's Ridge. BCPW is doing work on sidewalks Jan 13-Jan 31 at the following locations: Ludgate (6827, 6819, 6811, 6802, 6803), Millers Ridge (9507, 9511, 9515, 9518, 9539) and Dunstable (9574, 9566, 9522, 9546, 9566). Beginning February 1st they will be repairing the road/streets on Ludgate, Miller's Ridge and Dunstable through the 25th. BCPW has requested that no vehicles be parked on the street during these repairs as they will have no choice but to pave AROUND the vehicle leaving the street only partially repaired. The drain on Chelmsford was inspected by Storm Water Dept. and they found that the pipe is bowed and are looking into the options available to fix it so that flooding in that area is no longer an issue.

In addition he introduced the new smartphone App called YourGOV that allows you to report any issues immediately. You can even pin the exact location. You can also follow up the status of the reports you make. More information on the App can be found at www.bexar.org under YouGov Citizens Request Portal. This App is for any local government department not just Bexar County Public Works.
