CALL FOR VOLUNTEERS

It's easy,
fun to get
involved in
neighborhood

We're planning a great year in our neighborhood, and we want your help to make each event as awesome as possible!

July 4th Day parade

Each year we host a parade for the kids on July 4th. It typically runs down Wolf Run and Boulder Dam, toward Broadview and ends at a neighbor's house. Please contact us to help plan this fun event!

National Night Out

This event encourages neighbors to turn on their lights and get to know each other through fun activities. We'd love to have an event to celebrate on Tuesday, August 5. If you're interested in helping us plan, please contact us!

Garage Sales

Our community garage sale gives everyone a chance to meet their neighbors and brings a sense of community. Doing sales together has multiple benefits. Besides, we do the hard work of advertising, putting up the signs, all you have to do is clean out your home!

Let's get together and get to know each other! The Blendon Woods Civic Association is throwing a Community Picnic on Sunday, June 28 at the Blendon Woods Metro Park Sycamore Shelter. We are looking for:

- volunteers to plan activities
- neighbors to bring equipment for games such as :
 - frisbee
 - bocce ball
 - volleyball
 - ladder ball

There is a ball field and playground equipment nearby.

To help us plan, we'll be asking for RSVPs closer to the event date.

Stay tuned to our Facebook Group, Nextdoor and Neighborhood Link sites for more information about the picnic, as well as a date for our next General BWCA meeting, when we'll be finalizing picnic details.

We'd love your help planning and hope to see you active online and at our next meeting!

CALL FOR REPS

Consider representing BWCA in NCC

The BWCA needs reps at two community meetings. Participation is important to giving our community a voice, and could be key in future area development issues.

NCC General Meetings

» The next NCC General Membership meeting will be Tuesday, April 7.

One alternate representative is needed for NCC General Meetings. This person may take turns with our current rep., Alison Colvin, or substitute when she can't attend.

The NCC General Membership Meetings are held to communicate the interest of the residents and member organizations to the government officials, councils and boards.

The NCC meets at 7:00 p.m. on the first Tuesday each month at Friendship Village, 5800 Forest Hills Blvd. Columbus, 43229.

NCC Development Committee Meetings

» The next NCC Development Committee meeting will be on Wednesday April 29.

Two representatives are needed for the NCC Development Committee. These two can take turns attending the monthly meetings, or one person can substitute when the other person cannot attend.

The NCC Development Committee Meetings promote general welfare, proper growth and desirable development of the member organizations and its residents.

The Development Committee meets on the last Wednesday of each month at 6:30 p.m. at the Northland Performing Arts Center, 4411 Tamarack Boulevard in the Northland Village complex.

Blendon Woods Community Reminders

Ravine is private

The BWCA would also like to remind all residents that the ravine is private property and not a place for kids to gather with bikes or to have campfires.

The city has provided us with many great parks that have trails, skateboard and bike parks.

Please respect your neighbors and do not let your children play on private

property or disturb other homeowners of the ravines.

Mow all grass on property

All residents whose property backs up to the street, please keep in mind you are responsible for mowing the grass, even if it falls behind your fence.

We appreciate your help in keeping our neighborhood beautiful.
