up. Heritage Valley organizes two clean-ups each year in the Spring and in the Fall. This year HV participants cleaned all along

Fairburn Road from Heritage Valley to as far as the New Emanuel Baptist Church on Fairburn Rd. The amount of ground covered at each cleanup depends on volunteers because it is up to us all to keep the neighborhood beautiful.

## Melvin Drive Park Improvements coming soon....

Special thanks to NPU-P committee chairman of Parks and Recreation Lew Woodson and President Reginald Rushin for their hard work in getting improvements at Melvin Drive Park. Plans have been submitted and soon we will see life cycle equipment, gazebos and new playground equipment. This will be an added amenity to living in Heritage Valley due to the fact that this park is in perfect walking distance to the community.
