NEIGHBORHOOD NEWS

"Dedicated to the Sharing of News and Information Concerning our Neighborhood, Schools and Community"

FREE trap/ neuter/ return program from the Animal

Defense League of Arizona

Every spring thousands of homeless kittens come into animal shelters in Maricopa County. Most do not get out alive. Before temperatures rise and cats go into heat, the Spay Neuter Hotline is asking people to stop procrastinating. Get pet cats fixed, and also take advantage of ADLA's Trap Neuter Return program to sterilize outside cats.

Please Join the Animal Defense League of Arizona's Spay Neuter Hotline in its campaign. ADLA is asking animal lovers to spread the word to family, neighbors and friends. We can beat kitten season if everyone in the community pitches in by sterilizing cats in their neighborhood. Says ADLA President Stephanie Nichols-Young, "Whether you love cats or you hate them, Trap Neuter Return (TNR) is the best way to reduce the number of cats in Maricopa County. The Spay Neuter Hotline can help beginners and coach them through the process. In many cases, we have neighborhoods work together to do TNR."

The Spay Neuter Hotline helped to sterilize more than 15,000 feral cats last year and over 50,000 since March 2009. The Hotline offers Trap Neuter Return to assist with reducing the free-roaming cat population. The Hotline also offers referrals and information to low-cost spay neuter veterinarians for pet dogs and cats. Periodically, there are free programs available for those in need of financial assistance. Sterilize all outdoor cats now, before it's too late. **There are two free spay and neuter clinics April 1 & 6th, 950 W. Hatcher.**

We need some volunteers to take the following routes:

We need a new bundle person. Gloria will teach any willing volunteer. Newsletters need to be dropped off to the Four Zone Delivery people, two days after received if possible. Call Alyssa at 714-6866 if you can help.

BE AWARE OF YOUR SURROUNDINGS

Recently our neighborhoods have been experiencing a somewhat unique brand of criminals. Seems this trio (two females and male) are all "related" and operate separately with the same "technique". They attempt to gain entry into the inside of the home or garage, without breaking-in.

Numerous calls have described very similar scenarios. Either a knock at the door or walk up and engage the resident outside, asking somewhat legitimate questions. They may include "may I have a drink of water", or "use the phone", "can you give me directions"? A few incidents where this group was reported to PD included walking into an open occupied garage and refused to leave.

The "team" takes small but valuable items or cash, something they can place on them and not draw too much attention. They have been known to park a minivan and walk through the neighborhood using the van as a "home base".

On Tuesday, March 10th the Moon Valley Jazz Ensemble attended one of six ABODA Area Jazz Festivals being held state-wide. Each location consisted of three judges and two clinician. The bands are required to play three songs varying in style and the judge's award each group with a rating. Ratings are superior, excellent, good, fair, and poor. A rating of superior or excellent qualifies the group to compete at the State Jazz Festival. The Moon Valley Jazz Ensemble performed a funk song by Jeff Jarvis, a ballad by Sammy Nestico, and a blues selection by Michael Sweeney. The performance went very well and the group received an excellent rating from each judge. In their clinic, Eric Rasmussen from Scottsdale Community College, commended the group and challenged them to strive for the next level. "When it comes down to it, just being there was a success," said Mr. Williford. He continued, "I felt like they gave me their best effort which is all I ask, qualifying for state was just a nice bonus." The State Festival will be at South Mountain High School the last week of April. This year the list of performers will include Moon Valley. If you see members of the jazz band, please wish them luck.

"Mrs. Zamar Goes to Washington"

Posted on 2015/03/27

During the week of March 7th, a group of Moon Valley Students along with U.S. History teacher Mrs. Zamar, attended

the annual Close Up trip in our nation's capital.

The Close Up organization is on a mission to "inform and empower young people to exercise the rights and accept the responsibilities of citizens in a democracy". The organization has several programs, but specifically our students participated in the week long trip to Washington DC making the political hub a "living classroom", and immersing students into the activity of the federal city.

Along with students from all over the country, there were activities, places to be, and people to see from 7:30 in the morning on up to 10 o'clock at night.

Moon Valley April Calendar of Events

April 1, 15, & 22 & 29 - Late start 9:00 am

April 6 - Rocket Booster Mtg, Bldg 5, Conference room, 7pm

April 11 - Rockets for the Community - 8 am check in, Cafeteria

April 25 - Junior & Senior Prom, 7pm to 11pm, Rio Vista Rec Center, [8866 W Thunderbird Rd](http://www.8866WThunderbirdRd.com), Peoria, AZ 85381, \$40 single, \$70 couple **For more info call 623-915-8000**

Trip continued

They visited all of the monuments on the National Mall including several of the Smithsonian Museums, the National Museum of the Holocaust, the U.S. Capitol Building, the Supreme Court, and Arlington National Cemetery.

There were workshops and visits to offices which provided an inside look designed to instruct participants on the workings of our federal government.

One outing included the Senate building where students went to visit with Senator Jeff Flake who took the time to discuss pressing issues concerning Arizona. Along the way, our group happened upon Senator John McCain. Even though it was not scheduled, he graciously took the time to shake hands and pose for a picture.

The experience proved to be memorable and educational. The collaboration was diverse as students from all parts attended this event. Specifically, our students roomed with teens from Thailand, Boston, Chicago and Hawaii. It was an opportunity to discover the potential each citizen possesses while collaborating with other youth, each bringing their own individual brand of perspective.

This is Mrs. Zamar's second trip and she intends to make it a long standing tradition for the Rockets who wish to discover the adventures in our national capital.

**WASHINGTON ELEMENTARY
SCHOOL DISTRICT**

THE SUPER AWESOME WESD COMMUNITY FOOD DRIVE!!!!

We wanted you to help Thelda raise 75,000 pounds of food for the Washington Elementary School District to support St. Mary's Food Bank. Thelda's challenge to District 1 was this: whoever raises the MOST amount of food, whether it is a business or other organization, will be officially recognized by the Phoenix City Council at an official City Council Meeting. Collection dates were from February 17th through the 27th.

The unbelievable outcome was that we, as a community, collected 151,676 pounds! Total amount collected from District 1 is 75,503 pounds!

Here are the top two District 1 Winners:

1. Arroyo School collected 9781 pounds – which is 16.25 pounds/student. Phil, the Principal from Arroyo, pledged to be on the roof of the school for 24 hours, starting at 6:00 a.m. Thursday morning, if the school collected the most donations.
2. Pure Heart Christian Fellowship collected 8849 pounds!

Be aware continued...

An ongoing investigation from a recent arrest revealed they check for open or unlocked doors and will go house to house checking. They will go into the back yard and have been known to jump fences to avoid attention or police.

Also the investigation has located a few houses in and around Cactus Park Precinct that seem to offer refuge or be involved, needless to say these homes are being watched as part of any neighborhood burglary investigation.

Lessons learned from this: Call police in any suspicious looking event as you normally would, use 9-1-1 since this could be an actual burglary in progress, and heighten your level of awareness. Most of all- gone is the need for people to walk through neighborhoods requesting to use phones, bathrooms, or water.

In these situations assistance can be rendered (if legitimate) from our EMS (Emergency Medical System) or Police Department. In almost every case if the resident informs the individual that a call is being made to police the individual leaves (a clear indication assistance was not really needed).

Should you be outside and notice someone walk into the garage, yours or anyone else's call Police and watch from a position of safety. One note of comfort, none of the known related incident of these folks was anyone assaulted or noticed a weapon; however this is not to say they are not armed and caution is always appropriate.

Remember to lock your doors even if you are at home, close your garage if you are not going to be in it for a long period of time and always lock your vehicle doors and windows at night.

Cactus West Neighborhood is now involved in the "Phoenix Neighborhood Patrol" Program

Neighbor, Larry Herrera has gone through the training and is asking his neighbors to get certified and join him on patrol. Jerry Myers donated a communication radio and scanner for the patrol.

Phoenix Neighborhood Patrol has long supported the notion that involved residents are the most effective crime fighters, reporting suspicious activity as it occurs. This program allows residents to become more actively involved as partners in crime prevention. They are the Phoenix Police Department's "Eyes and Ears!"

ARE YOU HAVING ISSUES WITH YOUR NEIGHBORS?

We are so blessed to live in a city with great weather. People are out in their yard, having parties, enjoying themselves, but sometimes we don't realize that the some of our actions create problems for our neighbors. Just because we like loud music, doesn't mean our neighbors will.

Be considerate to your neighbors. If you are having a party and it is getting late after 10pm, try turning down the music and keep you noise level down, especially if you are outside.

Does your dog bark continually bothering your neighbors? Maybe you've become deaf to it, but your neighbor probably hasn't.

These have been the most recent complaints to the newsletter. We are not monitors of the neighborhood. We will try to help in any way. If the nature is serious, we will bring it to the attention of our police representatives that come to our monthly meeting (2nd Wednesday of each month) at Tumbleweed School Cafeteria at 6:30.

Did you know there are all kinds of important numbers on **page 11** of the newsletter for barking dogs, green pools, street lights, abandoned shopping carts, neighborhood services and of course the police. If you have a serious neighborhood complaint that you don't think has been resolved from calling the appropriate numbers, call your Community Action Officer, Wade Niver at 602-534-6988 to see if it can be worked out.

procedure per-
formed by your
dentist that is highly
effective and will give
you beautiful results.
The unique teeth
whitening formula
used combined with
the heat and the light
delivered by the laser,
provides dramatic
results in a very short
time.**Custom whitening**trays: Custom trays
are molded from an
impression of your
teeth to fit only your
mouth. These trays
hold the whitening gel
and are then applied
to your teeth for a
perfect fit which will
give even coverage of
the gel on your teeth.
The tray material is
typically very thin and
can easily be worn
anytime of the night

gels with higher
concentrations of

quicker results and
the use of desensitiz-
ing agents help to
minimize irritation and
allow for a more
