NEIGHBORHOOD NEWS

"Dedicated to the Sharing of News and Information Concerning our Neighborhood, Schools and Community"

HAPPY 239th BIRTHDAY AMERICA!!

When a country like the USA is blessed with its special rights and privileges, we can sometimes take those rights for granted.

On the month of America's birthday, I thought we should all remember why the United States of **America is SO SPECIAL**. During the [American Revolution](#), the legal separation of the American colonies from Great Britain occurred on July 2, 1776, when the [Second Continental Congress](#) voted to approve a [resolution of independence](#) that had been proposed in June by [Richard Henry Lee](#) of [Virginia](#). After voting for independence, Congress turned its attention to the [Declaration of Independence](#), a statement explaining this decision, which had been prepared by a [Committee of Five](#), with [Thomas Jefferson](#) as its principal author. Congress debated and revised the Declaration, finally approving it on July 4. A day earlier, [John Adams](#) had written to his wife [Abigail](#).

"The second day of July, 1776, will be the most memorable epoch in the history of America. I am apt to believe that it will be celebrated by succeeding generations as the great anniversary festival. It ought to be commemorated as the day of deliverance, by solemn acts of devotion to God Almighty. It ought to be solemnized with pomp and parade, with shows, games, sports, guns, bells, bonfires, and illuminations, from one end of this continent to the other, from this time forward forever more." Continued on page 6

CAN YOU DELIVER A NEWSLETTER ROUTE?

We are in need of **replacement volunteer** to take over the Distribution.

Our Treasurer, Gloria Lamb is doing it and she could really use a break. This takes about two hours of your time once a month. She will drop off the printed 2200 newsletters to you, show you how to bundle them and then you drop off the boxes to the four bundle drop people who then distribute it to their volunteers.

A big thank you goes out to long time volunteers for **Route 5 and 14, Betsy Glauber**. **Emily Weirsema** will take over **Route 5** and **Robin Fernandez** will take over **Route 14**. **Gloria Lamb** will take over **Route 13** from **Hank Leyva** and **Julie Fredericks** will take over **Route 22A** from **Hank** in August. **Nicole Harris** will take over **Route 20** from **Kevin Geoffrey**.

WE ALSO NEED A TEMPORARY VOLUNTEER TO DELIVER ROUTE 34 FOR JULY

Route 34 - Mercer Av (35-3600) homes facing S. of 35th & Cholla

Thank you to **Nicole Harris** for taking **Route 18** for June & July and **Larry Hererra** for doing **Route 36** for June

Our GAIN (Getting Arizona Involved in Neighborhoods) event will be coming up in October. Thank you for the Glaubers for donating a shed that we can keep all our picnic supplies in. Thanks go out to Gloria and Brian Lamb for allowing us to keep the shed in their back yard! We were paying \$1000 for storage fees for the year! We are thinking we might hold the picnic on Saturday, Oct 24. We had an article on page 6 in the May issue about seeking funds to help put on the picnic. **We want to thank Mr. Baker for his generous donation of \$50.**

You may still donate any amount so we can continue to put on the best "free" Neighborhood Appreciation Day as always. Go to <http://www.neighborhoodlink.com/CactusParkWest> to see past picnics.

Email us @

cactusparkwest@gmail.com or call at **Alyssa at 602-714-6866** and we will pick it up. You can mail to: **CPWNA 3602 W. Sunnyside Ave Phoenix, AZ 85029**

Or Donate Online via PayPal – laddisluv@hotmail.com (Make sure to choose the gift)

It's never too late to start getting donations from your local businesses for our games and raffles. We would like to get some volunteers together to gather donations from the local businesses to again make this another successful community event.

Arizona Informational Guide to School & Child Care Immunization Requirements Revised July, 2014

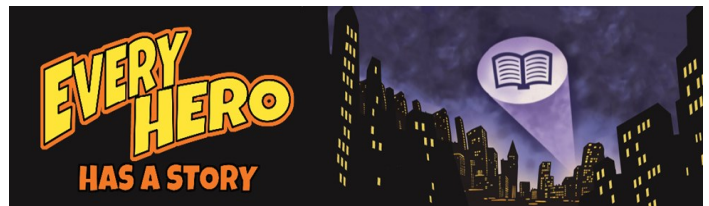

Arizona Revised Statutes 15-871; Arizona Administrative Code R9-6-701 through 708

Before a child may attend any Arizona school or child care center (public, private, parochial, or charter), Arizona law requires that an immunization record be presented to the school or child care staff by the parent/guardian. The immunization record is usually the one given to parents/guardians by their doctor or clinic, and must show the date each required vaccine dose was received as well as the signature or stamp of the health care provider. Acceptable forms of immunization records to enter school or child care include:

A copy of the Arizona Lifetime Immunization Record

- ☐ A copy of the vaccine administration record from the health care provider
- ☐ A computer-generated immunization record from the Arizona State Immunization Information System (ASIIS) or from an immunization registry of another state
- ☐ A signed and dated Arizona School Immunization Record - [ASIR109R form](#) completed by a school the child has attended (a copy is acceptable)
- ☐ An immunization record generated by a school's immunization software system, as long as the school name, school address, school contact person, child's name, child's date of birth, and child's immunization dates are included
- ☐ A signed and dated immunization record or school/child care immunization record from another state

Play the library's Summer Reading Game, prevent "summer learning loss"

Numerous studies have shown that reading over the summer prevents "summer learning loss" and enables students to return to school better prepared to learn. "Every Hero Has a Story" is a countywide effort to encourage kids and teens to read throughout their summer vacation. Phoenix Public Library's summer reading program for kids, teens and adults, starts June 1 and runs through Aug. 1. To play the online Summer Reading Game, track your activities, and earn badges, register at maricopacountyreads.org. Kids (ages 6-11) who read 20 minutes a day are eligible for weekly drawing prizes. Visit a library near you for a variety of fun-filled summer reading programs for kids, teens and adults. See you this summer at the library! For more information about the Phoenix Public Library's summer reading program, visit phoenixpubliclibrary.org or call 602-262-4636.

AN IMPORTANT MESSAGE FROM CHILDHHELP

Founded in 1959
 by Sara O'Meara and Yvonne Fedderson
 PREVENTION and TREATMENT of CHILD ABUSE

Childhelp, the Department of Child Safety and the City of Phoenix

created a safe haven by converting space at the Childhelp Children's Advocacy Center for 6 to 9 months. Children between the ages of birth-10 will remain 24 to 48 hours as their cases are triaged and permanent placement is determined.

we are now open and it is crazy hectic and costly to maintain the needs lists. We have been open less than two weeks and we have had over 150 children come through the placement center already. Many of the children need all new clothes and shoes when they arrive, and if they spend the night, (many of them are only there a few hours and all of them are there less than 24 hours) they need a set of pajamas, toothbrush and we try to give each of them a blanket and a stuffed animal to keep.

We have ongoing needs and no budget to pay for the items, so we are trying to engage the community to help support the needs of these children in the midst of crisis.

THIS IS A CALL FOR DONATIONS TO HELP THE CHILDREN OF PHOENIX

If anyone reading this article can donate new or like new pajamas, blankets and stuffed animals for 6 to 12 month old children or new or gently used clothes, pajamas stuffed animals, tooth brushes and toothpaste, for 1 to 10 year old children, please contact Vicki at 602-460-0246 or email, vallen@westusa.com. You can call me or bring them to my house. I will start off the donations with \$25 worth of blankets and will deliver the items by July 27th to the Children's Advocacy Center.

Happy Birthday America, continued from page 1

Adams' prediction was off by two days. From the outset, Americans celebrated independence on July 4, the date shown on the much-publicized [Declaration of Independence](#), rather than on July 2, the date the resolution of independence was approved in a closed session of Congress.

In 1777, thirteen [gunshots](#) were fired, once at morning and again as evening fell, on July 4 in [Bristol, Rhode Island](#). Philadelphia celebrated the first anniversary in a manner a modern American would find quite familiar: an official dinner for the Continental Congress, toasts, [13-gun salutes](#), speeches, prayers, music, parades, troop reviews, and fireworks. Ships were decked with red, white, and blue bunting.

DENTAL X-RAYS . . Why, When, Which Type and How Often Do You Need Them? Dental x-rays are important to help your dentist see beyond the structures visible in the mouth. Combined with visual examination, x-rays provide necessary information to diagnose dental caries (cavities), periodontal (gum) disease, root canal conditions, and abnormal growths such as cysts, tumors or other pathology. The American Dental Association published guidelines to define the frequency and type of x-rays required (www.ADA.org). The ADA recommends that x-rays be taken after the dentist has reviewed the history and performed an examination to determine "probability" for certain conditions. We have evolved from chemically processing film to digitally capturing images. Digital x-rays require lower doses of radiation and can be viewed immediately. Call us for more info.
