Clean Up Info:

Clean Up and Chipper Location:

MacArthur Center parking lot
7635 MacArthur Blvd. (behind Blairco)

Please enter the Clean Up from the west side of parking lot on Alabama Dr. Our volunteers will direct you from there.

To participate at the clean up, you **MUST** have the coupons that are attached to this newsletter. Because we have people taking advantage of our clean up, volunteers will turn away those who cannot produce the coupons. Please don't put our volunteers on the spot by asking to dump without a coupon!

What Not to Bring: Household garbage, hazardous waste materials, paint, oil, car batteries, refrigerators, roofing tear off, concrete. **No computers, monitors, TVs, or laptops.**

What to Bring: Bulky household items, miscellaneous junk, **dry** paint cans, yard debris. Wood without metal attached may be disposed of as yard debris.

Bring your recyclable metal items, we'll have a separate metal recycling container again this year. Proceeds go to our neighborhood treasury.

****You may also dispose of six tires****

Re-use or Re-purpose: If you have items that you no longer want but that are still usable, set them off to the side at our Clean-Up. We always have a "re-use" corner which can give new life to items.

Clean-up Coupons will be included in the printed newsletter delivered to your home.
