NEIGHBORHOOD NEWS

"Dedicated to the Sharing of News and Information Concerning our Neighborhood, Schools and Community"

UPDATE ON NEIGHBORHOOD APPRECIATION DAY *which is fast approaching*

We are still in the planning stages of our great annual Neighborhood Appreciation Day which is our version of GAIN (Getting Arizona Involved in Neighborhoods) or National Night out. Join us on **Saturday, October 24th, Noon to 4pm, at Cactus Park, (3801 W. Cactus) 39th Avenue and Cactus, east of Tumbleweed school near the playground equipment.** We are busy lining up the events with the City of Phoenix, Phoenix Police Department, Phoenix Fire Department and other neighboring businesses. We will have an announcer TBA, music, speakers and entertainment, TBA. Moon Valley High School clubs will be getting involved and we hope to have the whole itinerary in the October edition. The MV clubs will be cooking hotdogs and brats, running the games and helping with setup and cleanup. Gloria Lamb's help with coordinating the Moon Valley students has been invaluable and without their help, we could not do this event every year, so **THANK YOU MOON VALLEY!**

So far we have commitments for some booths that will have community information for the neighbors which include Kaity's Way, (prevention of teen dating violence), Paul Curiel, Public Works Dept will have recycling information, and Singh Smilecare will be providing great discounts and dental Hygiene information at their booth. If you want to have a booth (no selling of products), you need to bring your own table and chairs, call the editor.

So far we have raffle/prize donations from Dairy Queen, 28th Drive (100 free mini blizzards), Laurie O'Neill dropped off two bags of costume jewelry for the kids prizes, CPCA will provide a crime prevention kit and materials, a \$50 gift certificate to Gourmet Cakes & More, \$25 Visa gift card from Vicki Allen, West USA, (5) free pastas from Sardellas, 60+ free single pizzas from Hungry Howies, (2) free meals from Culvers, something from 35th Ave Lock & Key and J-N-J Auto Service, 25% of alteration service from Sew Many Comforts, Singh Smilecare will be providing (3) certificates for dental services worth up to \$700, (5) free massages from The Arizona School of Massage Therapy, Scentsy warmers from Cathy Barnett, and the last raffle prize of the day will be a \$100 gift card at Fry's Food, courtesy of Cactus Park West Neighborhood Association. We will have two bouncy cages, Hexapong, raffles, three legged race, cake walk, pie eating contest, the funny photo booth, free food and drinks, games and much more to say in the October edition.

If you know of any other civic organization or business that would like to attend our event that would have useful services for our neighbors, let us know. We could also use volunteers to bake cakes and baked goods or donate some for our cake walk and pie eating contest. We have a few neighbors so far that will bake some stuff. UPS at 31st & Cactus was kind enough to print 300 letters for us this year. We are not mailing letters to businesses this time and are trying to round up some **volunteers to drop off letters at Metrocenter and the surrounding businesses, so If you can do that, please let us know and we will give you a list of businesses to visit. If you can contribute something for the hourly raffles, let us know.**

We will be collecting canned food for St. Mary's Food Bank. Get an extra raffle ticket for every can you bring in at the sign up desk.

We will have sign up sheets to help with the set-up, clean-up, baking or donations for the cake walk and running of the games at your next monthly meeting on **Wednesday, September 9th at Tumbleweed School at 6:30.** Call Alyssa Glauber to sign up at **602-714-6866 or Vicki at 602-460-0246.** Come meet your neighbors and enjoy a hot dog or brat, some games, raffles and entertainment. Come get involved, it will be **FUN!**

PIKES PEAK MAGIC! 45 family members who's loved ones died in traffic incidents gathered on Pikes Peak this past weekend to honor all families and loved ones across the globe. Our 12-member Live Forward! team ran in their honor and memory. I will turn it over to Beth, Nate's mom, to speak for all gathered.

I cannot say enough about this weekend. The first amazing part was actually completing the run. My qualifying race was the Lincoln half-marathon in 2013, which I ran with Nate. Wendy Everson was a Godsend. I would not have finished without her.

The other great part of the weekend was spending it with all the other families. Losing Nate shattered my world. I have come to find my new normal and still live life. But the "new normal" is nowhere close to anyone else's normal. This weekend, my new normal was the same as everyone else's normal. No needing to explain my world. No having to explain that I have two boys who continue to grow older and one that is forever 15. All of us have a child whose age is frozen in time.

I was expecting this weekend to be emotionally significant but I never expected it to be as amazing as it was. Just being able to look at someone and I knew exactly what they were feeling and they knew what I was feeling, was just so comforting. We could all just be ourselves and experience the weekend without having to explain our backstory. Our worlds are forever changed. We

appreciate the small things, we don't get undone with things that aren't worth our time, we have a new appreciation for being present in the moment. This changes the way we interact with the rest of the world and some days the world doesn't understand us. This weekend there was no having to worry about our little world misunderstanding us, we were all living in the same world so we could just enjoy the time together.

Like I said, I never expected this weekend to have such an impact on me, but all I can say is that it was a life changing experience.

Beth

DISTRICT 1 COMMUNITY BREAKFAST **PLEASE NOTE IMPORTANT CHANGES!**

Special time! The next Community breakfast will be on **Friday, September 18th**. New location! We will be at the Radisson Hotel Phoenix North, located at 10220 North Metro Parkway East. Breakfast starts at 7:30 and the speaker begins at around 7:45. See you there!

This month's guest is Sheriff Joe Arpaio. You probably know him as "America's Toughest Sheriff," a name given to him years ago by the media. It's a name he has certainly earned as head of the nation's third largest Sheriff's Office, with more than 3,500 sworn and civilian employees, serving a county of over 4 million people. With over 55 years' experience in law enforcement, Arpaio knows what the public wants, "The public is my boss," he says, "so I serve the public." He has served them well by establishing several unique programs. His leadership and the excellent work of his staff have catapulted the Maricopa County Sheriff's Office into the ranks of elite law enforcement agencies.

CITY NEWS VOTER APPROVED BALLOT PROPOSITIONS FROM TUESDAY'S CITY ELECTION

- **Prop. 100** – General Plan Update. The 2015 Phoenix General Plan establishes a vision for the entire city along with policies and goals to guide future development. The state requires cities to update their plans. Our plan was developed over a two year period by residents of Phoenix and the Phoenix City Council.
- **Prop. 101** – Home Rule. This allows the city to continue setting its own budget and expenditure amount after receiving extensive citizen input and a final approval vote from the City Council. By law, Home Rule must be reapproved every four years.
- **Prop. 102** – Electronic Payments. Allows the Finance Department the modern convenience of issuing payments to vendors electronically instead of with an old fashioned paper format. Changing the way we do business with this type of technology will also save the city hundreds of thousands of dollars every year.
- **Prop. 104** – Comprehensive Transportation Plan. A comprehensive transportation strategy funded with a sales tax. Will expand light rail and bus services and improve streets. The passage of Prop. 104 will also allow the city to reallocate \$16 million annually from the General Fund to go towards the hiring of new police officers.

CRIME PREVENTION TIPS

1. Lock all your doors and windows. At the minimum ensure that the front door has a good deadbolt lock, 3 inch screws in the hinges and strike plate, and a peephole. If you can afford it, get a security door and make sure it is properly installed.

2. Put a lock on your side yard gate or any gates that

lead to the backyard. Eliminating access to an area of your house that watchful neighbors can't see suspicious people around helps reduce your chances. If you have service personnel who use the gate, make sure it is locked immediately after they leave.

3. Keep your garage door closed at all times, even if you are just inside for a short time. It does not take long for someone to enter your garage and grab items from inside your car or garage and leave. It is easy to get distracted when unloading kids, groceries, etc but take a few extra seconds to make sure the door closes all the way when you leave and when you arrive home.

4. Put your vehicles in the garage. If you must park in the driveway or outside, lock the doors and have windows rolled up all the way. Do not leave any valuables inside car or even bags that look like they may have something of value inside them, this is an easy opportunity for someone walking or biking by to break in.

5. Leave your front door and exterior garage lights on all night, from sundown to sunrise. Get a timer or timer switch if unable to remember or for out of town trips.

6. If an unknown person comes to the door, do not open the door, talk through the door and ask what they want. If they persist on you opening the door or refuse to leave, call police. Do not ignore the knock or doorbell ring.

7. No one knows your neighborhood better than you so be watchful of your surroundings and watch out for each other in your neighborhoods. Having an involved and watchful neighborhood is one of the most important crime prevention methods around. Get to know your next door and neighbors across the street and exchange at least phone numbers or email addresses so you may keep each other informed of absences on trips.

"IF YOU SEE SOMETHING, SAY SOMETHING, AND CALL 911 OR CRIME STOP 602-262-6151!"

Safety Advice Reminders from a Policeman

Take 5 minutes to read this. It may save your life or a loved one's life.

In daylight hours, refresh yourself of these things to do in an emergency situation... This is for you, and for you to share with everyone you know.

1. Tip from Tae Kwon Do :
The elbow is the strongest point on your body. If you are close enough to use it, do!

2. Learned this from a tourist guide. If a robber asks for your wallet and/or purse, DO NOT HAND IT TO HIM. Toss it away from you... Chances are that he is more interested in your wallet and/or purse than you, and he will go for the wallet/purse. RUN LIKE MAD IN THE OTHER DIRECTION

3. If you are ever thrown into the trunk of a car, kick out the back tail lights and stick your arm out the hole and start waving like crazy.. The driver won't see you, but everybody else will. This has saved lives.

Do I Need to Have My Wisdom Teeth Pulled? - Many people in their late teens and early twenties have their wisdom teeth pulled, but not everyone needs to do so. If you think you need your wisdom teeth pulled, your best bet is to consult with a professional.

Good Reasons For Having Your Wisdom Teeth Pulled - While oral surgery may sound scary, having your wisdom teeth pulled can often be a better experience than not. Many dental professionals will recommend having your wisdom teeth pulled if you experience the following scenarios:

Your wisdom teeth don't fit in your mouth. Most of us have room for about 28 teeth, which is the number of teeth you have before your wisdom teeth erupt. When the jaw isn't large enough, the wisdom teeth can become impacted, which means they are either unable to fully erupt or they become misaligned. (1) In this case, having your wisdom teeth pulled will ensure all your teeth have ample room.
