President's Message

The October meeting will be the last meeting of the year for the Coalition. Our next meeting will be January 15, 2015.

In the next few weeks, we will be moving back into our office in the Hiram Clarke Multi-Service Center. We will need volunteers to help us unpack boxes and get the office up and running again. If you can volunteer, please e-mail us at shccc12@gmail.com.

I would like to thank all the community members who responded to my request to e-mail the Texas Commission on En-

vironmental Quality (TCEQ) concerning the solid waste transfer station and the concrete batch plant proposed for Holmes Road. These are two different industries that have applied to the TCEQ in the last three months. If you have not responded to the e-mail that I sent you last week concerning the concrete batch plant, please do so by October 18, 2014, at 5:00 P.M. The only way we can have input into whether these businesses get a permit is by requesting a public meeting. Please stand up for our community.

*Until next month,
Linda*
