Changes to the HOA Board

Following our HOA meeting in May, Robin Symes has joined the HOA Board following Chris Harlan's departure. We are grateful to Chris and all the work he did on behalf of the Kimmis neighborhood over the past several years.

PAST DUE

The two main functions of the HOA Board are to pay HOA bills (Duke Energy, Landscaping) and collect HOA fees each year. The HOA Board strives to ensure the yearly fee is kept to the lowest amount possible but we need your help in that effort.

The HOA Board will be sending a third and FINAL notice for the 2015 HOA Fees in the coming days. If delinquent HOA fees have not been received within thirty (30) days, the Board will take further action to collect.

The HOA Board is working on securing a landscaping contract for the front entrance of our neighborhood but we will not be able to finish unless all HOA Payments are received!

Our neighborhood kids are returning to school soon so please keep an eye out for them as they wait for their school busses.

GOOD LUCK students!
