HAPPY 240th BIRTHDAY AMERICA!!

When a country like the USA is blessed with its special rights and privileges, we can sometimes take those rights for granted. On the month of America's birthday, I thought we should all remember why the United States of **America is SO SPECIAL**. During the American Revolution, the legal separation of the American colonies from Great Britain occurred on July 2, 1776, when the Second Continental Congress voted to approve a resolution of independence that had been proposed in June by Richard Henry Lee of Virginia. After voting for independence, Congress turned its attention to the Declaration of Independence, a statement explaining this decision, which had been prepared by a Committee of Five, with Thomas Jefferson as its principal author. Congress debated and revised the Declaration, finally approving it on July 4. A day earlier, John Adams had written to his wife Abigail.

"The second day of July, 1776, will be the most memorable epoch in the history of America. I am apt to believe that it will be celebrated by succeeding generations as the great anniversary festival. It ought to be commemorated as the day of deliverance, by solemn acts of devotion to God Almighty. It ought to be solemnized with pomp and parade, with shows, games, sports, guns, bells, bonfires, and illuminations, from one end of this continent to the other, from this time forward forever more." *It's About Kids!
It's About Safety!
It's About Caring!
It's About Time!™*

Summer is on the doorstep and kids are out and about playing and riding bikes. Many of us enjoy a stroll around the neighborhood. It's a good time to remind ourselves of 3 things we can do to keep ourselves and others safe on and around neighborhood streets. [Practice the Better!](#)

Stop! Take 3 To See® at every stop sign. Even if no one is present, it is great practice for when someone is present.

Keep Kids Alive Drive 25® - Observe the posted neighborhood speed limit, and go slower when children, cyclists, or pedestrians are present.

Who do you love? , Who loves you?
What could be more compelling reasons to put down the phone and to observe all the rules of the road so that we can return home safely to those who love

AUGUST 20, 2016 marks the date to for the **10th Annual Live Forward!® & Run to Remember** as part of the official Trail Run up Pikes Peak in Colorado. Our Live Forward!® team runs in honor of over **100 loved ones** who's families have connected with our mission due to a traffic-related death. We **carry their names** on the back of our shirts. Family members of these loved ones join us for the weekend on Pikes Peak, and the Colorado Springs Area, to celebrate the life and love they shared and continue to share with all touched by the gift of their lives. It is an inspirational weekend of sharing stories and making memories.

COMMUNITY INFORMATION

CPWNA DESPERATELY SEEKING FUNDS!

Thanks to you, our local business, and our surrounding schools, our October G.A.I.N event (Getting Arizona Involved in the Neighborhoods), just gets

better each year.

Neighborhood Appreciation Day is our version of National Night Out which is held in August throughout the country. Our annual October picnic event had nearly 400 people attend last year and we hope for another great success this year.

Did you know that a group of less than 10 neighbors puts this event together every year? The event has significantly improved with people, public sectors, schools, vendors and a lot of Moon Valley volunteers running the food and games and providing entertainment. Even our local business partners have stepped up opening their doors wide to us with prizes and service items for our raffles and prize give aways. It is always great when the local businesses support the community. To see last years event go [to https://www.facebook.com/cpwna](https://www.facebook.com/cpwna).

Do you also know that CPWNA spends almost \$2,000 of its own money annually to make sure that this event is free for you?

Let me break it down: 60% of the expense goes to food and drinks, 15% for the bouncy cages, and the other 25% are for raffles and game prizes. Where is the money coming from?

Thanks to our local businesses' advertisements, previous yard sales, grants, and donations from you, we were able to save money. However, for the past few years, there was no funding from the yard sales and advertising was slow.

Just imagine CPWNA not hosting an Annual Picnic event this year just because we are short of funds or volunteers? Would you let that happen? Here's your opportunity to jump in and save the day.

With a little help from our neighbors, we can guarantee to continue our picnic tradition for 2016! How?

Through your generous donation, we can pull it off. \$1, \$5, \$10, \$20, \$100 from you will help CPWNA's achieve it's goal. If you can contribute money, raffle prizes or services, let us know. October is only six months away! There are multiple ways to contribute: **Email us @ cactusparkwest@gmail.com or call at Alyssa at 602-714-6866 and we will pick it up.**

Abraham Lincoln Traditional School is a K-8th school in the Washington Elementary School District, but unique. Abraham Lincoln Traditional School (ALTS) is the only 100% open enrollment school in the district. This means that no address boundaries apply. Students from all over are welcome. Their mission is to guide and challenge learning for all students through an environment that stresses basic traditional skills and values. Their four cornerstones; basic skills curriculum, parental involvement, enforced discipline and dress code, are essential to the continuing success of the school. Classrooms are highly structured with limited interruptions and with their high expectations for student growth, they have been rated an "A" school by the Arizona Dept. of Education since the rating scale was implemented. Prior to the A-F rating scale, ALTS was an Excelling school for many years. Art, Music, Physical Education as well as Technology classes, are taught from Kindergarten thru 8th grade.

PHOENICIAN PALMS RESIDENTS NEED OUR DONATIONS!

The Phoenician Palms Apartments, located at 3421 West Dunlap Avenue, are home to a large population of refugee families from all over the world. Many of these families are resettled here with few, if any personal items aside from what they happen to be wearing. We are asking for your help to donate items to these families in order to help them become better situated and to let them know that our community cares about them. Try to imagine having to flee your home, your community, your Country, to save your life and the life of your children, not knowing anything about where you will live, or what it will be like. This is the case for people that call Phoenix their new home and we want to make sure they can have a good start to their new lives in our community. Donation items always needed (can be new or gently used):

Phoenician Palms continued:

Pots/pans, silverware & plates, small household items- pictures, pillows, vases, etc. (helps with making the apartment more homey), sheets, blankets, etc. - all can be gently used, bigger items like beds, bed frames and other items like tables, night stands and dressers, clothing- men, women children and infants is also appreciated. Whatever doesn't go to our immediate families either the agencies come pick up the rest of the items or we call the community leaders so they pass out items to their community members.

For information about where to donate, or for any other information about the Phoenician Palms, please call **Anna Sepic at 602-832-4472**.

Happy Birthday America, continued from page 1

Adams' prediction was off by two days. From the outset, Americans celebrated independence on July 4, the date shown on the much-publicized [Declaration of Independence](#), rather than on July 2, the date the resolution of independence was approved in a closed session of Congress.

In 1777, thirteen [gunshots](#) were fired, once at morning and again as evening fell, on July 4 in [Bristol, Rhode Island](#). Philadelphia celebrated the first anniversary in a manner a modern American would find quite familiar: an official dinner for the Continental Congress, toasts, [13-gun salutes](#), speeches, prayers, music, parades, troop reviews, and fireworks. Ships were decked with red, white, and blue bunting.

Festival Recorded Information Line: 602-534-3378 (FEST), Steele Indian School Park, 300 E. Indian School

The 31st annual Fabulous Phoenix 4th will feature one of the largest fireworks displays in the Southwest.

The free and non-alcoholic family event annually attracts 100,000-plus participants. Included in this year's

event will be two stages featuring local entertainers, a variety of vendors offering festival-style food and beverage, arts and crafts, interactive exhibits and a classic car display. Youth activities, rides and inflatables, and a water spray zone will be part of Kids World.

Illegal Dumping

Illegal dumping is the disposal of waste generated at one location and disposed of at another location without legal permission.
