## Unlawful Restraint Of Dog Ordinance Passed

The Public Safety and Veterans Subcommittee unanimously recommended approval the Unlawful Restraint of Dog Ordinance; also known as the “Tethering Ordinance.” The ordinance will be sent to the full City Council for approval. The term “tethering” refers to the practice of fastening a dog to a stationary object and leaving the dog unattended. The term “chaining” refers to tethering a dog with a heavy metal chain. Tethering often involves the partial restraint of a dog through use of a rope, light chain, or pulley. Tethering does not include restraint by leash while walking a dog or temporary tethering when the owner is present. Tethering a dog can severely damage the dog’s physical and psychological well-being. Many jurisdictions have enacted ordinances to combat the negative impact of tethering dogs. Current Arizona and City of Phoenix animal cruelty laws do not expressly prohibit dog tethering. The proposed ordinance amends Phoenix City Code Section 8, relating to animals, and prohibits the act of unlawful restraint of dogs. The proposed ordinance prohibits the restraint of a dog as follows:

- 1) No restraint may unreasonably limit the dog’s movement. “Unreasonably limit the dog’s movement is defined as a restraint that:
  - a) Uses a pinch-type, prong-type, or choke-type collar that is not properly fitted to the dog;
  - b) Is in length shorter than 10 feet;
  - c) Places the dog in unsafe or unsanitary conditions;
  - d) Causes injury to the dog; or
  - e) Does not permit the dog access to food, water, shade, dry ground or shelter.

## **NORTH GLEN SQUARE SQUARE-WIDE YARD SALE OCTOBER 22, 2016**

It's the event we all have been waiting for. It's the INFAMOUS, HUGE square-wide yard sale. It will be Saturday, October 22, 2016.

In past years we have had upwards of 40 homes participate in the sale. The more neighbors that participate, the more our ad will stand out in the Arizona Republic newspaper and on their online listings and on Craig's List. Each home address will be listed on a separate line. The ad will run Friday, October 21<sup>st</sup> and Saturday, October 22<sup>nd</sup>. The cost to place your own personal ad would be much more than with the group price. The fee for paid members of the association is \$10 and for non-members is \$18.

All participants will be given a supply of maps, which shows each home participating plotted on one side of the map and the list of addresses on the reverse side. This map is to be passed out to the shoppers, thus increasing the sales for each neighbor by keeping the shoppers in our square. We will also have signs at the main entrances into our square and a couple at 31<sup>st</sup> & Orangewood advertising the BIG sale in our square mile.

You set your own hours of operation. This is a great chance to meet your neighbors. Some neighbors have even sold coffee & donuts too. So this summer start cleaning out those garages, attics, closets, and spare rooms. There will be one more article after this one that will give more details on how to sign up.

## Phoenix Serial Street Shooter

Investigators continue to ask that residents remain vigilant and report suspicious activity, including unfamiliar people or vehicles, in their neighborhoods. Based on witness statements, investigators believe that the suspect has access to multiple vehicles which may change but the two best described are a white Cadillac or Lincoln type vehicle and a black late 90's or early 2000's 5 Series BMW.

Anyone with information regarding these incidents is urged to contact the Phoenix Police Department Violent Crimes Bureau at 602-261-6141 or Silent Witness at 480 W-I-T-N-E-S-S. The FBI has added \$20,000 to the Silent Witness reward amount which has now been raised to \$50,000 for any information leading to the arrest of this suspect.
