## PRESIDENT'S NOTES

BY REINETTE KING

Happy Autumn!!

Due to circumstances entirely outside our control, the September Sunburst was late.

A huge thank you to Amabel Lopez for bailing us out or we wouldn't have had one at all. Then she graciously offered to do this October Sunburst while we are actively searching for a permanent editor to take over for the November Sunburst forward. If you are interested, let me know immediately. It is wise to have several who are skilled and willing since circumstances change. We need you!

Why not be a voice and make decisions that affect your neighborhood? There is an immediate need for Area Representatives for Area II and III. You do not have to live in the area you represent. Contact me today for details.

Your chance to meet your board and committees and elect officers is upon you! Refreshments and social start the annual meeting at 6:30PM Oct 10 in the clubhouse. Then at 7PM a speaker will enlighten us on Senior Services, followed by the Hickman's sharing their story about their house fire and how they are able to rebuild. You won't want to miss this! Also, experts will share how to save money on your property taxes and details on Google Fiber coming to San Antonio! Then hear progress reports from the committees, elect officers and fellowship with your neighbors!

Cellular on Patrol needs YOU! To help patrol the neighborhood any day or any hour(s) you choose, contact Margaret Timm at 210-657-2329 or Donald Malik today at 210-655-5453 about becoming a volunteer.

The Fall Festival/Cook Off is back! Come out Oct 22 from 3-5pm and join the fun next to the clubhouse! Why not show off your culinary talents? Everyone gets a chance to taste the goods! There will be horse rides in the park, Halloween costume judging and much more! Stay tuned to the El Dorado Face Book Page for updates!

You are very special!

Have a very safe October!

Would you like to know where the money goes to support EDHA?

When you come to the meetings the *second Monday of each month*, you can find out exactly.

Think of what it costs you to maintain, heat, cool, and clean your house, to keep your plumbing maintained, your yard watered, mowed and edged and your yard equipment gassed up and in working condition.

El Dorado is unique in that it possesses a 14 acre grassy area surrounding a pond with hundreds of large trees, two entrance medians with grass and trees, a treed Paseo, a park with playground equipment, a spacious and frequently used clubhouse, two large riding mowers and other equipment, a parking lot surrounded by shrubs and grass and a sizable pool plus a baby pool and pool bathrooms to maintain.
