PRESIDENT'S NOTES

BY FELIX COX

Dear Neighbors:

I get a copy of the Texas Bar Journal each month. In it, close to the front, is the "President's Message." I always skip it, because I can't figure out why I should be reading it. So, I won't hold it against you if you skip this message too.

That said, I am honored to be your new El Dorado Homes Association president. El Dorado is a special place, with a lot going on. We have been blessed to have strong leadership and community spirit over the years, and I believe we have many great years to come as well.

Please note that we always need more help. If you interested in helping, we have a role open that will likely fit your interests. Please contact me if you are interested. My number is in the Sunburst. My email is felixcox76@gmail.com.

Every second Monday of the month we have a meeting at the clubhouse. Please come. We would love to have you.

Sincerely,

Felix Cox

El Dorado Community Garden

Got Salsa? We've got tomatoes!

Our Fall crop is already producing! We have a lot of tomatoes ready to be picked! Want to make some fresh salsa or a nice salad? Please come by the Garden and become a volunteer! Help us weed, water, bring and add your food scraps, coffee grounds, leaves, and grass clippings to the compost. All volunteers get to share what the Garden produces, pick some tomatoes from the beds identified as Community Beds and enjoy! We will soon have pumpkins, onions, peppers, broccoli, romaine lettuce and squash to share also.

We want to thank Lisa Clipperton, her family and Affordable Appliance Haul Off & Repair Company for donating the beautiful outdoor picnic table with a roof top to provide shade and shelter for our Community Garden. They not only donated and delivered this piece of art, but the Clipperton's customized it to fit our Garden's needs! We appreciate and thank them!

Coming soon to the Garden is a Pergola to host gatherings and provide shelter to our gardeners and visitors. The materials and construction will be donated by Home Depot at Windcrest. The preparation and planting of a few areas designated to attract Pollinators. If you have any Butterfly, hummingbirds or bees attracting Texas native plants and would like to donate them to the Garden we will be more than happy to have them. Due to the success of the first S'mores Night at the Garden in October we will host another one on Friday, January 20th, 2017 at 7pm. Save the date.

Later more into the Spring time we plan to host more Gardening workshop for adults and children. Just call us for more details of activities, donations, bed rentals or volunteering. If you want to reserve your bed space for the 2017 Spring Season you can do so now for just \$25 for 6 months, February to July.

We would love to have you come by our Community Garden and enjoy nature in the middle of our El Dorado Neighborhood!

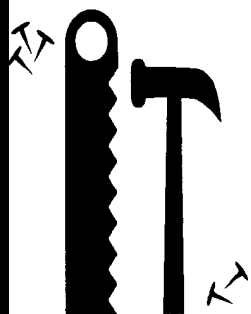

Thank you to All that have made this garden happen and will continue to support us towards a successful community project.

Welcoming New Neighbors

As a longtime resident of El Dorado, I am elated to see young vibrant families moving into our neighborhood.

As a realtor, I feel it is very important to introduce them to everything El Dorado has to offer, like our pool, lake, Paseo, and of course volunteer opportunities, and EDHA membership.

It's easy. Just take your Sunburst, introduce yourself and all EDHA has to offer, and welcome your new neighbor.

I want to sincerely thank Sally Day, my neighbor across the street, who stepped up and brought a welcome package to the new family next to her.

Feel free to contact me with any suggestions on how the El Dorado community can welcome new neighbors.
