

# WLCA NEWSLETTER

## Woodlawn Lake Community Association

*Keeping Woodlawn Wonderful Since 1992*

Special Neighborhood Edition

Spring 2017

San Antonio, Texas

## SPRING MEMBERSHIP DRIVE

### SPECIAL NEWSLETTER EDITION

The bi-monthly WLCA Newsletter is sent only to paid members. In the Spring, however, we print a special edition to introduce our entire community to our Association. It is our hope that our neighbors will choose to become a part of WLCA.

If this Newsletter was delivered to your home, you reside within the WLCA boundaries. You may also be in the Monticello Park Historic District or the Woodlawn Lake Area Neighborhood Conservation District (NCD) or the Jefferson NCD. These are not associations but are zoning overlays which WLCA helped set up to protect the characters of these communities.

Please take some time to read this Newsletter. It tells about WLCA and also about the Park and neighborhood that we strive to enhance, protect, and preserve.

### SOME RULES AT WOODLAWN LAKE

**Alcohol.** No alcoholic beverages are allowed in the Park.

**Animals.** Any dog taken into the Park must be restrained on a leash and the handler must also pick up after his/her animal.

**Boating.** You can use a non-motorized boat or watercraft of any type during daylight hours. A permit is not required. Each participant must have a personal flotation device and the craft must be removed from the Lake when boating is done.

**Curfew.** The Park closes from 12 midnight to 5 am, every day.

**Refuse.** Blue recycle containers are for empty cans and uncapped bottles only. All other refuse goes into the green trash cans. Glass containers are not allowed at the Park. (If cans are full or if you have other types of recyclables, take the refuse home for proper disposal. Do not litter.)

**Trail.** The trail is for walking, hiking, or jogging. Bicycles, skateboards, roller blades, or non-motorized vehicles are prohibited. Children on tricycles or bicycles with training wheels are allowed so long as they are under immediate adult supervision. (WLCA favors a bike path on the streets around the Park.)

### ABOUT WLCA

**Who we are:** WLCA was organized in the late 1940's but residents have been working together to preserve and improve our community and Park since 1920. It is a voluntary, non-profit organization. Our goals are to maintain the character and history of Woodlawn Lake Park and its surrounding community, while enhancing the beauty, security, and tranquility of this area.

**Area:** Our geographic boundaries are Donaldson (north), Culebra (south), Zarzamora (east), and Gen. McMullen - St. Cloud (west). Individuals residing outside our boundaries but with an interest in our Park and this community can be non-voting members and have a voice concerning our issues.

**Dues:** Dues are for the calendar year. Payment makes you a member. Dues amounts are on the form on the back of this page. These will not vary on whether you reside within or outside of the WLCA boundaries.

**Meetings:** We meet at 6:30 pm on the last Tuesday of every month, except in December when we hold our Christmas party. Meetings are held at the Woodlawn Lake Park Wi-Fi Room next to the Gym, by the Josephine Tobin Drive street arch.

**Can't make it to the meetings?** We do not require our members to be at our meetings nor to participate in any of our activities. We try to make our meetings relevant, with speakers who bring us up to date with City functions and area developments and who listen to our concerns and answer our questions. We also keep you up to date via our newsletters and e-blasts.

**On Line:** WLCA is listed at [neighborhoodlink.com](http://neighborhoodlink.com) and at [facebook.com/pages/Woodlawn-Lake-Community-Association](https://facebook.com/pages/Woodlawn-Lake-Community-Association). Email us at [wlca@att.net](mailto:wlca@att.net).

### To Our Eastern Neighbors

WLCA invites our neighbors who reside within the area of (N) W. Woodlawn, (S) Culebra Rd, (E) Fredericksburg Rd, and (W) N. Zarzamora, to join WLCA as Associate Members. We hope that this experience will give your community a voice and will help it develop into its own neighborhood association.

Make your check payable to the Woodlawn Lake Community Association

**TO JOIN WLCA**, fill in this Application and mail it with your dues to WLCA, P.O. Box 28374, San Antonio TX 78228; or bring the form and dues to our Centennial Garden on Earth Day (Apr 22) or to a WLCA meeting (next meeting: Apr 25).

### WLCA EFFORTS & SUCCESSES

**Community Preservation.** Fighting to control traffic speed and volume in neighborhood streets. Working to save area historic structures and to keep out development not complimentary of this area. Helped to expand the Monticello Park Historic District. Initiated and led effort to establish the Woodlawn Lake Area NCD and participated in creating the Jefferson NCD.

**Park Enhancements.** Sponsor Woodlawn Lake Park clean-ups, including Basura Bash and Adopt-a-Park. Campaign for Park improvements and preservation of Park's historic, recreational, family-friendly, and green character. Pursuing a bicycle trail on streets around Park. Active in Park Watch program.

**Civic Involvement.** Active part of Westside Creeks Restoration Project and in getting it funded. Active in west side revitalization efforts. Give financial help and holiday gifts to neighbors in need. Many members hold elective office, serve on City boards and commissions, and are involved with our schools and charities. Spearheaded drive to make City parks tobacco smoke free. Active voice in City bond issues.

**Safety.** Work with our SAPD SAFFE Officer to enhance crime prevention efforts. Active in neighborhood watch. Led fight to stop a drug rehab center from opening in area. Led effort to set curfew and have Police stationed at Park. Stopped alcohol use in all Park areas and activities. Got slower speed limits and all-way stops around Park. Working for safer school crossings.

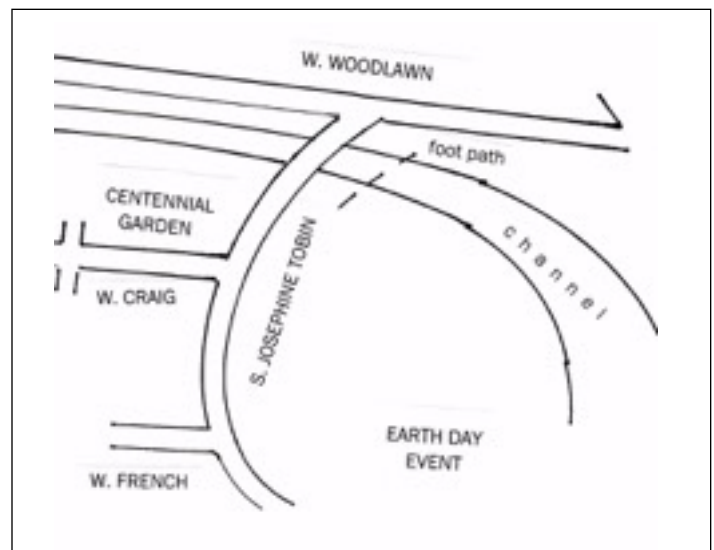

**Local Improvements.** Initiated efforts to return quality retail shopping to our area. Worked to bring improvements to the Fredericksburg Road Deco District. Working to improve area street corridors of Zarzamora, Cincinnati, and Culebra. Pursuing an area trolley that would connect the Park, area schools, the Deco District, and any future bus rapid transit or light rail system. Fighting to keep stray dogs, parked 18-wheeler trucks, and bandit signs out of our neighborhood.

### CENTENNIAL GARDEN Visit Us on Earth Day

WLCA is developing a native plants garden at the west end of our Park, by the pavilion at W. Craig and S. Josephine Tobin. It will be the largest pollinator garden in the City, with native perennial plants that will provide a habitat for birds, bees, butterflies, and other winged friends. The project should be completed by 2018 for the City's 300th birthday and for the 100th anniversary of Woodlawn Lake as a City park.

The garden now has a vast array of plants and has been certified as a Monarch Waystation and as a Wildlife Habitat. We have added a crushed granite walkway and plan to add a local art component. We gladly welcome volunteers in this effort.

We will be at our Centennial Garden (see map below) during the City Earth Day celebration. Learn about our project and get more information about WLCA and on how we are working to protect and improve our Park and our community.

**Earth Day at Woodlawn Lake Park**  
**April 22nd (Saturday), from 9 am to 2pm**
