Recipe for Fun?

Question: What do you get when the Social Committee of the Moorings plans a party?

Answer: The Moorings social event of the year! Thanks to Diane Busch, Candy Koester, and Eleanor Link who planned a dinner at Park Avenue Grill of which 40 members of the Moorings attended! Thanks to the committee and the homeowners who attended. Stay tuned for our next event.

Speed Limit is 25 miles per hour

Please be mindful of our children and residents! There have been many accidents lately, and we all need to obey the law!

New Website:

Our neighborhood now has a website! Our new website includes information about The Moorings, an online newsletter, and community pages about issues and events that affect our neighborhood. Links to city government officials and services, including the police, make it a great communication channel.

Our new website is not just an information source, but also a place for all neighbors to be connected on the Internet. Want to tell people about an upcoming meeting, or lost pet? Then post a notice in the "Community Calendar". Want your own personal web page? Then create one in the "Meet Your Neighbors" section - tell people about yourself, your family, your hobbies, or your interests. Concerned about a neighborhood issue? Talk to your neighbors - solicit new viewpoints. Go to the "Talk About It" section and create a new discussion.

This is our website - anyone can use it - and it's easy to use! You don't need any special computer skills to post information to the site - simply fill out forms and the information is posted! All you need is Internet access - everything is in an extremely user-friendly format.

So check it out! Our new website can be found at:
[http://www.neighborhoodlink.com/The Moorings](http://www.neighborhoodlink.com/The_Moorings)

Once you access the web site, please create a user account. You will need to have this to post information and receive neighborhood-wide email notifications about important events, alerts and topics. You will also want to subscribe to the "All Moorings Residents – Email Distribution List". Instructions on how to create accounts and subscribe to email are posted on the Pages & Links tab of the web site.

The Board continues to work on amending the current documents.

**Wishing you all a safe and fun summer!
Your Board of Directors!**
