CACTUS PARK WEST
Neighborhood Association

**"Dedicated to the Sharing of News and Information Concerning our
Neighborhood, Schools and Community"**

Did you also know that CPWNA pays \$1,500 of its own money annually for newsletter printing? The annual grant that we get from the City of

Phoenix is not enough to cover our annual printing expense. We have been awarded \$4,000 this year, which would make our eighth year in a row that we have received money from the City of Phoenix.

Thanks to Gloria Lamb's skill and expertise in grant writing. Unfortunately, we did not get enough money to maintain our contract with GPC, Graffiti Protective coatings because the graffiti went down in our neighborhood.

Residents have several options to report:

Graffiti in progress: 9-1-1
Graffiti removal/More information: 602-534-4444

Email: blight@phoenix.gov
Graffiti Reward Tip Line: 602-262-7327

We are in talks with Moon Valley NJROTC to see if some of the kids want to get trained and do some community service. We will update you when we get more info.

MEMORIAL DAY IS MAY 29TH THIS YEAR

Memorial Day is a [United States federal holiday](#) which occurs every year on the final Monday of May. Memorial Day is a day of remembering the men and women who died while serving in the [United States Armed Forces](#). Formerly known as **Decoration Day**, it originated after the [American Civil War](#) to commemorate the Union and Confederate soldiers who died in the Civil War. By the 20th century Memorial Day had been extended to honor

all Americans who have died in all wars. It typically marks the start of the summer vacation season, while [Labor Day](#) marks its end.

Many people visit cemeteries and memorials, particularly to honor those who have died in military service. Many volunteers place an American flag on each grave in national cemeteries.

The **Tumbleweed PTA, Cactus Park West Neighborhood Association and Councilwoman Thelda Williams** had a great turnout at **Tumbleweed Elementary School**, on April 8th for their Spring Carnival, Craft Fair and Bike Safety event.

Tumbleweed PTA had 15 - 20 raffle baskets, over 15 booths and had some fun games.

Councilwoman Thelda Williams with Phoenix City Police, Fire and Street Transportation departments were onsite to host the bike safety event. ev-Kids were encouraged to bring their bikes, learn bike safety, participate in a bike rodeo and get a free bike helmet. They raffled off two bikes and gave away about 100 helmets.

Cactus Park West Residents and Neighborhood Delivery people, redeemed a lot of free ice cream tickets. CPW bought six gallon tubs. We went through three at the event, gave one to Moon Valley NJROTC who had 25 volunteers helping at the event and gave two tubs to Tumbleweed PTA to use in the future and one to the NJROTC Moon Valley kids were described by many as "Awesome"!.....CPW provided ice cream and spoons. Smart & Final donated 15 cases of water....Thanks to the community for making this a successful event.

Run to Remember: Pikes Peak, CO August 18th-20th, 2017

"When we reach out to bring goodness into the world in honor of a loved one who has died, we proclaim that love is stronger than death." —Thomas J. Everson, Founder of KEEP KIDS ALIVE DRIVE 25®

AUGUST 17th, 2017 marks the date for the 10th

Annual Live Forward!® & Run to Remember as part of the official Trail Run up Pikes Peak in Colorado. Our Live Forward!® team runs in honor of over **100 loved ones** who's families have connected with our mission due to a traffic-related death. We **carry their names** on the back of our shirts. Family members of these loved ones join us for the weekend on Pikes Peak, and the Colorado Springs Area, to celebrate the life and love they shared and continue to share with all touched by the gift of their lives. It is an inspirational weekend of sharing stories and making memories. **If you'd like to join our team**, send a note to kkad25@kkad25.org

Through **Live Forward!®** we work to raise **\$14,115.00 - \$1.00** for each foot above sea level at the summit of Pike's Peak. Funds raised cover expenses for families participating in this once-in-a-lifetime experience. To realize our fundraising goal **1,412 donors** are needed to generously **donate \$10.00**. Donate now to add your support. Checks can be sent to: KKAD25, 12418 C St., Omaha, NE 68144; **corporate sponsors** are welcome. Please e-mail kkad25@kkad25.org or call 402-334-1391 to learn more.

Current Teacher Vacancies

The Arizona School Personnel Administrators Association (ASPAA) is surveying school districts and charter schools to gather the total number of current teacher vacancies throughout Arizona for next year. **Of the 51 school districts and charter schools with early responses, there are 1,941 teacher vacancies for next year.** Considering there are 230 school districts, 406 charter holders and 13 joint technological education districts in Arizona, the current total teacher vacancies will be considerably greater. Moreover, the majority of the 51 school districts and charter schools indicate that they have **0 to 1 applications per teacher vacancy.**

As a reminder, in December 2016, 159 school districts and charter schools had reported 2,166 teacher vacancies four months into the school year with another 2,221 filled by individuals not meeting the standard teacher requirements.

The purpose of sharing these results is to bring awareness to various decision makers as to the **need for a collective effort to ensure the recruitment and retention of effective and qualified teachers in Arizona.** The large total of current teacher vacancies compared to the small applicant pool continues to be quite troublesome. Arizona needs to make urgent and substantial decisions to address the teacher shortage.

I-17 ALERT: CLOSURES FOR RESURFACING IN PHOENIX CONTINUED

The resurfacing is part of the Arizona Department of Transportation's \$9.8 million I-17 improvement project that started last fall with sidewalk and wheelchair ramp improvements at cross-street interchanges.

Following this first closure, plans call for weekend closures to continue along southbound I-17 before crews begin resurfacing the northbound side of the freeway.

I-17 will be closed one direction at a time for approximately three-mile stretches each weekend while the rubberized asphalt paving takes place.

Drivers should consider alternate routes, including State Route 51 or Loop 101, while I-17 is closed. Travelers can expect heavy backups and delays when I-17 traffic is detoured to the freeway's frontage roads or, in areas without frontage roads, to 19th Avenue.

Other work includes I-17 drainage improvements near Durango Street, new signs and concrete-barrier upgrades ADOT will provide updates on the I-17 resurfacing and scheduled closures on the agency's website and Twitter feed (@ArizonaDOT). Sign up for email alerts by visiting:
