# PRESIDENT'S LETTER

# By Ezra Johnson

Dear Neighbors,

According to a large-scale longitudinal study published by the National Institutes of Health in 2007, volunteering with a local school or other non-profit organization has positive effects on our health and psychological well-being. More recent studies of senior-citizen volunteers showed evidence that volunteering preserves mental capacity as we age and helps to prevent dementia. When we help our neighbors, we are also helping ourselves.

I guess that is why I see so many of our neighbors taking it upon themselves to help out around El Dorado. To all of those who have been mowing and cleaning the common areas over the last few weeks, the Paseo, the entrances, and around the lake, I want to say thank you. Every little bit helps. We also had a great response to our request for Sunburst volunteers. Those who signed up should be contacted very soon, if not already.

If you are still looking for ways to help, we need assistance with our membership drive. New annual memberships start on May 1st. If you have enjoyed the benefits of membership in EDHA, please let your neighbors know. The more EDHA can provide in terms of keeping our common areas and amenities clean and attractive, the more we are protecting the value of your most important investment—your home.

The pool will be opening soon, and I look forward to seeing you there. We are trying to make service improvements that will encourage our residents to become pool members. Please fill out the survey that is included in this edition of the Sunburst and return it as soon as possible so that we have a chance to make positive changes before the end of the season.

Finally, Nora Chavez, our Social Committee Chair, has been working overtime to plan several fun social events Check the Sunburst for more information and please come out and meet some of your neighbors.

Ezra

#### A Word From Your Editor

#### Hello Neighbors:

Thank you once again for all the contributions and inquiries! I am still finding my feet as editor of this fine publication and the next problem I am going to tackle is a big one, namely getting this publication out on time. I understand that getting this newsletter out in a timely fashion is an issue of critical importance to the community and I want to assure you that I will be taking steps to make sure this happens. One of the big issues that I have had is waiting too long for late additions. I am going to bring back the hard deadline of the 15th of each month so wisely instituted by my predecessor. So please have your articles, contributions and advertisements to the edhasunburst@gmail.com email no later than 11:59 PM on the 15th of each month to ensure it gets into next months edition.

As for our website and payment portal; since I've had no takers for helping out with either the newspaper itself or the website, I don't really have a choice but to wait for the June through August hiatus to really sink my teeth into the website as demands on my free time are quite substantial. I would still welcome any offers of help, no matter how small! Please find my contact information on page 3 and get in touch with me if you would like to contribute.

Besides that it looks like we are going to have a glorious spring and I look forward to sharing it with you! Michael Navarro
