Cactus Park West Neighborhood Association NEIGHBORHOOD NEWS AUGUST 2018

CACTUS PARK WEST
Neighborhood Association

G.A.I.N. What Is It?

G.A.I.N. stands for Get-
ting Arizona Involved in
Neighborhoods. G.A.I.N.
is Arizona's answer to Na-
tional Night Out, which is
held in August. Because of the soaring
105+ temperatures in August, commu-
nities statewide decided to observe Na-
tional Night Out in October and call it
G.A.I.N. G.A.I.N. is a day of celebra-
tion for the successes of crime preven-
tion through community involvement.
Block Watches, apartment complexes,
neighborhood groups, parks, business-
es, etc. across Phoenix participate in
block parties to show support for the
efforts of those involved in the fight
against crime.

As most of you know, we have had
this event for 10+ years in October and
we call it Neighborhood Appreciation
Day. **Come join us on**
Saturday, Oct 20th this year!

Come to the monthly meeting
on Wednesday, August 8th to
talk about it.

Last year our event was on Oct 22 and
was a great success with well over 400
people in attendance. There was food,
(we went through 800 brats and hot
dogs, 700 bags of chips and over 850
drinks, courtesy of Cactus Park West.
We had prizes, games, a cake walk, pie
eating contest, music, sack races, and
Hexapong. Moon Valley High School,
Cholla Middle School and many neigh-
bors volunteered along with many
neighborhood business contributing
goods, prizes and 45 cans of food and
\$65 was donated to Set. Mary's Food
Bank.

It is always a struggle to plan this
event and we need help from you, the
neighbors that live in the area.

Did you know that a group of less than
10 neighbors puts this event together
every year? The event has significantly
improved with people in the public sec-
tor, schools, vendors and a lot of Moon
Valley volunteers running the food and
games and providing entertainment.
Even our local business partners have
stepped up opening their doors wide to
us with prizes and service items for our
raffles and prize giveaways. It is al-
ways great when the local businesses
support the community. To see last

years event go [to https://www.facebook.com/cpwna](https://www.facebook.com/cpwna). or
www.neighborhoodlink.com/Cactus_Park_West. CPW usually relies
on advertising dollars to put on this
free event. This year we have a grant
from the City of Phoenix to pay for the
food which will help tremendously. If
you can donate a prize for the raffles,
volunteer to help with the event, be a
prize wrangler or want to have a booth
to show case your services (you can't
sell anything at the event, and we can-
not have any political campaigning at
the event), then contact us.

Email us @ cactusparkwest@gmail.com
or call at Alyssa at 602-616-9321 and
we will pick it up.

The mission of *Keep Kids Alive Drive 25®* is to make streets safer for all who walk, cycle, play, drive, and ride

For the 12th straight year ***Keep Kids Alive Drive 25*** will honor and celebrate loved ones who died in traffic incidents. August 17-19 will be a weekend to remember for families from throughout the U.S. who come together to celebrate the love and spirit of their loved ones as they participate in the ***Live Forward!***® weekend in Colorado Springs, CO.

Families gather in a beautiful place to share stories and make memories. August 18th they gather

at the summit of Pikes Peak, America's Mountain, to greet our 19-member ***Live Forward!® Running Team***, who carry the names of their loved ones on the back of their shirts as they take on the ***Pikes Peak Ascent Trail*** race to the 14,115 foot high summit.

Keep Kids Alive Drive 25 must raise \$30,000 to cover

the cost of bringing families together for this inspirational weekend. Beth Norris, who participates in honor of her son Nate, shares what the weekend means to her.

*"The best part of the ***Keep Kids Alive Drive 25*** weekend at Pikes Peak is being with all the other families who have lost a loved one in a traffic incident. We all get each other and it's the only place where we are the normal in the room. To bring other families in to that weekend, at no cost to them, to experience that weekend and the fellowship of all the families is priceless. It's a healing experience that no medical professional can provide."*

Your ***tax-deductible donation @ Pikes Peak Live Forward 2018*** Help make a life and love affirming difference for all families who join us. Donate today @ ***LiveForward!*** Donations cover cost of lodging, transportation, special commemorative shirts, a celebration dinner, and much, much more for all families participating in the ***Live Forward!*** weekend.

CITY OF PHOENIX COMMUNITY INFO

CITY OF PHOENIX BOOSTS SALT AND VERDE ALLIANCE

Ensuring Reliable, Clean Water Supplies for Three Million People in the Valley, the Phoenix City Council has approved a three-year partnership with The Nature Conservancy aimed at protecting flows and improving water quality in the Salt and Verde Rivers.

Through this partnership, Phoenix will join and invest \$100,000 per year in the Salt and Verde Alliance: Healthy Rivers, Healthy Communities. Phoenix was the first municipality to support the Alliance with a multi-year investment.

The Nature Conservancy, a leading conservation organization working to protect important lands and waters for both people and nature, convened a historic meeting of fourteen rivershed communities in 2016 that led to the creation of the Salt and Verde Alliance. The Alliance serves as a way for communities, corporations and foundations to invest in river-friendly projects that improve watershed protection, the quantity of flow and the quality of water in the Salt and Verde Rivers.

"A reliable water supply is critical to public health and economic prosperity in Phoenix," said Mayor Thelda Williams. "By protecting and improving our watersheds, the Salt and Verde Alliance Fund aides long-term water security. Phoenix is proud to lead the way as the first municipality to partner with The Nature Conservancy on this fund."

"We appreciate that Phoenix took the lead in helping us create collective action around the protection of the Salt and Verde Rivers," said Pat Graham, State Director, The Nature Conservancy in Arizona. "The extended drought has seen river flows decline by thirty-five percent. The time to act is now. Healthy rivers are essential to a healthy economy as well as countless benefits to people such as clean water and air, food security and beautiful places we enjoy." The Salt and Verde River watersheds encompass 13,000 square miles in the eastern and north central portions of Arizona.

NEWS FROM CHOLLA MIDDLE SCHOOL

Picture Day

posted Jul 24, 2018, 2:51 PM by Monica Ramirez

Cholla Middle School is scheduled to have their school picture taken on **Friday, August 10**. Students will receive their school ids at that time.

Flyers will be sent home on the first day of school or you can

Pre-order for picture packages online

at <https://ios.mydorian.com>. Online pre-orders using our school access key are available up to 4 days after picture day.

Once again, Cholla will be participating in the Community Eligible Provision (CEP) for the 2018-2019 school year. The CEP allows schools to offer free, nutritious school meals to all students through the National School Lunch and School Breakfast Programs. What this means for families at Cholla is that all students will be able to receive both breakfast and lunch at no charge for this school year without having to fill out a meal application. If your child just wants a beverage instead of a full meal he or she can purchase milk or juice for 35 cents or a bottle of water for 50 cents. We are excited about this opportunity and hope you take advantage of it.

The afternoon dismissal bell rings at 3:15 p.m. For safety reasons, we typically do not dismiss students at 3:15 p.m. unless the majority of our buses have arrived. We appreciate your patience the first few weeks of school as we continue to provide a safe environment for your child. Again, thank you for choosing Cholla and for your continued support of our programs!

Sincerely,
Phil Garitson, Principal
Cholla Middle School <http://cholla.wedschools.org/>

CITY OF PHOENIX BOOSTS SALT AND VERDE ALLIANCE continued

These watersheds feed The Salt and Verde Rivers, which are vital surface water supplies to downstream users in the greater Phoenix metropolitan areas. The City of Phoenix obtains more than one half of its raw water supply from these rivers."

Since its inception, the Salt and Verde Alliance has completed several projects, including:

- Thinning 1,600 acres of forests across four project areas within the Kaibab National and Coconino National Forest to reduce wildfire risk in the Verde watershed.
- Increasing water supply by approximately 40,150 acre-feet in the Verde River by implementing projects that benefit local farmers, create water savings, improve water quality and management and reduce future river impacts.

Over the next 3 years, the Alliance aims to thin an additional 12,000 acres of forest and increase water supply through infrastructure improvements.

A MESSAGE FROM CHIEF WILLIAMS

We kicked off this year with a commitment to our departmental goals outlined in the 2017-2019 Strategic Plan. I'm taking this opportunity to provide a mid-year update on a few key measures, including Crime Suppression and Prevention, Hiring, and Employee Well-Being.

Crime Suppression and Prevention:

Thanks to an enhanced Crime Gun Intelligence Center within the Violent Crimes Bureau, we are solving more gun cases and getting violent offenders off the street. We've identified opportunities to improve communication and resource sharing across our investigative details which has led to a greater ability to connect outstanding cases and more quickly identify repeat offenders. The work ethic of your patrol officers, detectives, and forensic staff has brought up the clearance rate in our Homicide Unit to 62%!

Hiring: Meeting our employee hiring goals remains an ongoing commitment for us.

**A MESSAGE FROM CHIEF WILLAIMS CONT...**

Maintaining appropriate employee levels for both sworn and civilian staff translates into effective service for our community. We currently manage

2,937 sworn staff and are regularly holding written and physical exams to identify new officers. Last year brought a big win for us with the hiring of 14 new police assistants. The new group has responded to 9,000 calls for service, taken nearly 1,800 reports and handled 570 traffic collisions. I am told almost daily by our officers how much they are appreciated and the impact they are making, especially in addressing our goals for call response times. Our Communications staff has also grown significantly throughout the year due to focused recruiting for operators.

Employee Well-Being: There's no question that careers in law enforcement are challenging. Mental health and wellness is paramount for the safety of both officers and residents. I'm proud to share that we have recently partnered with Crisis Prevention and Recovery (CPR). CPR is a local agency with trained professionals who can provide our officers the support they need. They will also respond to critical incidents to provide on-site assistance during those stressful situations.

We have a lot planned for the remainder of the year. The City Council approved two new measures that will help us as we work to improve safety and increase officer training. We'll embark on a study to identify reasons why we have seen an increase in officer involved shootings. This collaborative study will partner Arizona State University and the National Police Foundation on a project we expect to be completed by the end of this year.
