National Night Out 2019

National Night out is August 6th this year and we are looking forward to spending the evening with you. Last year the Sheriff's Office went to over 20 different National Night Out events, enjoying block parties, community bar-b-ques, neighborhood parades, and house parties for National Night Out. You might have seen us playing corn hole, tossing a Frisbee, or throwing the football around with your kids or neighbors. It was great – and we want to do it again!

CWCA is proud to partner with Shiloh House, Target and the Jefferson County Sheriff's Office in sponsoring this year's NNO on Tuesday, from 5:30-7:30p at the Columbine West Pavilion by the pool. This is a great opportunity to exchange ideas concerning effective strategies for fighting crime in our community. Event planners are working on last minute details which will include dinner. We will have ice cream, games and a few extra surprises. Feel free to bring a dessert to share. Join us and get to know your neighbors and members of law enforcement and have some fun. Lock your

A Moment With The Board

The June 11th meeting was held at Dutch Creek Pool Pavilion, with ominous clouds and sideways wind the temperature dropped and we hustled to get through the Agenda. Our attendance was very small and most of the current scheduled events are on task. All hands are ready to support the upcoming Dumpster Day on July 13, please check out the full article on the front page for details. There was some discussion on an Entrance Clean Up date of June 15, so we planned to meet at the Zephyr/ Ken Caryl entrance and move through entrances with time and volunteer availability. Mark your calendars for the upcoming FREE Swim Nights of July 6th & 27th, the pool will be available to any and all Columbine West residents to enjoy from 6 p.m. til 8 p.m. National Night Out is scheduled and planned for August 6th, first Tuesday of the month. The association would love to bring another Fall event onto the calendar so there was discussion of a potential Movie Night in the Park or an Ice Cream Social right after school starts. If you have questions or any suggestion of ideas feel free to email CWCAtalk@gmail.com. Look forward to hearing from the community. Residents are encouraged to attend any monthly meeting the next one is July 9th at 6:30 p.m., Dutch Creek Pool Pavillion, second Tuesday of the Month. This month we would like to encourage anyone interested in volunteering to join us.

Shiloh House will be providing some of our volunteers on July 13th, from their youth program, boys from the Yarrow House. They are a wonderful organization, helping Colorado youth & families in need. Please show your appreciation to them by donating to the Shiloh House Tip Jars at the event! If you have any questions about the Event, or you're interested in volunteering for the CWCA Dumpster Day, please contact Craig Brown at craig.brown@comcast.net or 303-681-8926. The Board/Officers would like to personally thank our newest Dumpster Day Event Chairperson, Craig Brown, who jumped into the fire and worked his magic to pull the event back on track. Remember that you can make as many trips as you can handle during the 4 hour event. Bring that added dose of patience as we work our best to keep the lines moving.

doors, turn on your porch lights, and come join us at the shelter house by the pool from 5:30-7:30 p.m for outdoor games, food, good information, and getting to see fire trucks and police equipment. Started in 1983, NNO sends a message to criminals letting them know that neighborhoods are organized and fighting crime together with law enforcement. National Night Out is designed to: (1) Heighten crime and drug prevention awareness; (2) Generate support for, and participation in, local anti-crime programs; (3) Strengthen neighborhood spirit and police-community partnerships; and (4) Send a message to criminals letting them know that neighborhoods are organized and fighting back.

2020 General Fund Reduction Impact

Each month, Sheriff Shrader publishes a "Behind the Badge" article about a current issue, event, program or initiative involving the Sheriff's Office. This month's article explains the impact of a directive by the county to reduce our 2020 budget by 7% or \$6.7 million. Unfortunately such a significant cut could result in a 44% decrease of jail capacity, up to 600 beds.

Instead, the sheriff recommends the county seek a solution to its budget deficit that prioritizes services. This would result in greater cuts to lower priorities rather than a \$6.7 million cut to public safety, one of the highest priorities. - Deputy Sheriff Brad Herman, Jefferson County Sheriff's Office

Proper Storage of Recreational Vehicles in Columbine West

Columbine West covenants state that "no trailer, camper, boat, RV, or like mobile unit may be stored temporarily or permanently upon any lot or right-of-way, unless hidden from view behind a 6' fence". It can feel like the covenant is not fair or too restrictive, yet Columbine West covenants are not as narrow or overwhelming as some neighboring communities.

The covenants also help to protect the safety of the residents of our community. Limit your loading and unloading time to 24 hours to help keep our neighborhood safe and to comply with the covenants. Remember to lock up your trailer, boat, etc to effectively reduce the occurrence of theft. Nearby RV storage areas are available for storage if your property doesn't allow proper storage options. Let us all do our part in keeping Columbine West looking great. If you see someone abusing the privilege, parking RVs on the street or on driveways you can contact the Covenant Control Group at CWCAtalk@gmail.com. Please provide an address and description of the violation.

The Advantage of Kindness and Character

Congratulations to all the Scouts, Venturers and Explorers graduating this month! If you're headed off to college, getting vocational training or launching into the workforce, I know what you've learned through Scouting and all of our BSA programs will serve you well.

When we think of the benefits of Scouting, specifically, some might assume that the leadership skills we teach are the most impactful lessons for helping young people succeed after high school. After all, leadership positions are easy to highlight on a college resume. But while our leadership training is unparalleled, it's important to never separate it from its foundation of character development.

Building character is in our nature, and it's the most important lesson we could ever pass along to our youth. And it actually can be a stand-out feature in the eyes of educational institutions! In a recent column I read, the author pointed out that in a world awash with high achievers, having good character and demonstrating kindness can be a differentiating, advantageous trait in college essays. The column discusses a new report from the Harvard Graduate School of Education, which shows that universities are looking to attract students with ethical character. More specifically, they are "drawn to applicants who show concern for others, promote good citizenship and civic engagement and develop personal responsibility." Sounds a bit like Scouts, doesn't it?

I think this understanding of the nature and impact of good

character is part of why the Eagle Scout rank is consistently recognized as a standout achievement on resumes.

But regardless of which BSA program young people participate in or what rank they achieve, I hope the core values infused throughout all of our programs will become a part of all of our participants' personal moral codes. Building character is an activity that should be done for its own sake – not to advance in Scouting or add a line to a resume. But it is gratifying to see examples of ways that our foundational values set Scouts up for a lifetime of success. Keep on living our oath and our laws. They will serve you well.

Yours in Scouting, Mike (Michael Surbaugh is the Chief Scout Executive for the Boy Scouts of America and a member of the organization's "Key 3" providing leadership and vision to the Scouting movement all across the United States. Find weekly posts at the Chief's Corner on Scoutingwire.org)

Columbine West is pleased to announce that Ian Fiedler, son of Kelly Fielder, 20 year residents, successfully completed his Eagle Project in 2018 and has been awarded the Highest scouting honor, Eagle Scout. Ian has been involved in scouting

since he began 1st grade at Leawood Elementary School. His Eagle Project entailed revitalizing a turn around at Lilly Gulch Baseball Fields. Ian was a member of Troop 459 when he submitted and

completed his project. "The camaraderie and positive energy at Troop 459 was essential to Ian in completing his long journey to Eagle. As long standing residents of Columbine West, The Fiedlers extend their warmest thanks for all the wonderful help of friends, neighbors and fellow scouts who showed up to make this happen for Ian. This wonderful community will forever be in our hearts as we prepare to move to Florida this coming summer". With sincerest gratitude, Ian & Kelly. We are Columbine, forever and ever.

For more than 100 years, the pinnacle of the Scouting experience for some has been achieving the highest rank of Eagle Scout. Starting today, young women can begin the journey toward that goal, and the BSA will ensure that all new Scouts BSA members have a fair opportunity to earn the prestigious Eagle Scout rank. The BSA will celebrate our inaugural class of female Eagle Scouts in 2020.

Congratulations to our June Yard of the Month

June winners are Larry & Carol Knapke at 7653 W Coal Mine Pl. The Knapkes are original owners, moving into Columbine West in January 1980. They raised two sons that graduated from Columbine, and they have 5 Granddaughters. Larry and Carol recently updated their plantings, adding some beds after removing an older Australian pine. They love their location, with the convenience of shopping & dining within a few miles. The Knapkes will receive a cash prize and get to display a sign in their yard recognizing their award. The Yard of the Month is sponsored by resident Realtor® John Basila, A Denver Home Realtor, who can be reached directly at littletonagent@gmail.com, if you would like to drop a nomination to him. Our weather has been amazing and the Spring rain/snow has seen all our yards looking greener. Stay calm and Garden on.
