Volume 38, Issue 2

"Preserving the integrity of the Jefferson Area since 1982"

Vice President's Message_ from Stanley Waghalter

Dear JNA members (and perspective members):

Welcome to a different style of the newsletter. Since 2013, **Chuck Whitehead** has been doing the JNA newsletter. He has done an outstanding job.

During both his and wife **Becky's** health problems, Chuck continued to produce a high quality newsletter.

It's these illnesses that have now forced Chuck to devote more time to being a care giver to Becky.

I would also like to thank the print staff at **Lanier High School** under the direction **Georgina Flores**.

The students not only learn the printing business, but they also save the JNA money by getting the printing done there.

Mentioning illnesses, Co-President **Elia Reyna** has undergone surgery and will be unable to attend our meetings for a few weeks.

The JNA membership wishes a fast recovery to Elia and the Whiteheads.

In other JNA business, the resignation of Vice President **Andres Lopez** necessitated the filling of the position by

appointment. I was asked to fill that position and will do so until the August elections.

If you have anything you would like to contribute to the JNA newsletter, my contact information is on page 3.

I would like to ask our readers to please join our group. The membership form is on the back of this newsletter.

Your dues help fund projects in the neighborhood and insure a viable area to continue for years to come.

MOTIF

BOUTIQUE BROKERAGE

Motif was founded by **Camille Rodriguez Brigant** to expand on the truly customized, personal touch she has developed with her clients over the years. *"Strong neighbors
 build strong
 communities,
 forging and building
 relationships that
 become the enduring*

One of the things that makes our Jefferson Community so rich, is the abundance of choices when it come to Worship.

In our daily commute, or perhaps on a leisure walk, one cannot help but notice the many and varied *church spires* or *bell towers* that define our skyline, architectural designs and styles of the decade they were built.

One such church is ***St Ann Catholic Church.***

The church was founded in 1912

and has seen some major renovations with the present building commissioned in 1948.

Obviously, any church building only houses the community within, and one might say, St Ann's Catholic Church is synonymous with community!

Their website and Facebook pages reveal their important role in carrying out their mission of neighborhood, family and ministry. The church has a remarkable online presence with SoundCloud, Twitter and videos that share Homilies, prayers and Hymns, and a long list of ministries, groups and organizations of fellowship and service to the poor.

Pastor Father Larry Christian leads with a modest,

humble heart. He inspires and teaches his flock of 'many parts to be of one body'.

Every decade the United States Census Bureau conducts a count of all the nations' residents. The next Census Day is April 1st, 2020. Getting counted is an important way to contribute to your community, today and for the next 10 years. Census data impacts essential public services provided by states and local governments like healthcare, public safety, education and transportation. The Census determines our representation in Congress and is used in redistricting at the state and local level. Your participation in the 2020 Census is safe and important to our community's future.
