Shiloh House will be providing some of our volunteers on June 19th, from their youth program, the Shiloh Boys. They are a wonderful organization, helping Colorado youth & families in need. Please show your appreciation to them by donating to the Shiloh House Tip Jars at the event!

If you have any questions about the Event, or you are interested in volunteering for the CWCA Dumpster Day, please contact Jenn Mazzotta at jenn.mazzotta@gmail.com or 303-681-8926.

Not currently a CWCA member? Join before June 17th for \$25 and event is free. You can fill in membership form & mail in or pay by PayPal. If you do so later than the 17th, be ready to show your receipt.

A Moment With the Board

Thanks to the CWCA Zoom subscription our May monthly meeting was well attended. Our May elections typically are done by anonymous ballot voting in person, but due to the meeting being held on Zoom, we were able to secured with a "election by acclamation". (In a situation where, at the close of nominations, the number of nominees is not more than the number of vacancies on the board to be elected, nominees shall be considered elected by acclamation.) Please join us in welcoming our (2) newest Board Members, Jenn Mazzota and Alexis Berra. We are excited to be working alongside them, as they bring fresh ideas and many talents to assist the Association tasks. Congratulations to Jenn & Alexis.

Dumpster Day is right around the corner, June 19th. Please read through the front page article to make sure you understand how the event works and what to expect. We continue to offer the event FREE to paid Members, while non-paid residents will be charged \$40. We could use a few more smiling faces and hands to help with check in and unloading. Contact CWCAtalk@gmail and leave your contact info. Alexis has been attending the FHPRD monthly meetings and continues to update us on the current situation of the CW Pool. (article included) We are happy to announce the pool will be OPEN for the 2021 Season. Thank you Columbine West residents for communicating with FHPRD, sharing your concerns and questions, which allowed the recreation dept to see just how valuable the pool is to our community.

We had hoped to make some headway on entrances, but the current situation of road work on Coal Mine has us waiting to address the Yukon and Webster areas. It looks like we may be getting new signal light installations, which means more ground will be dug up and replaced. Our efforts will continue after the construction is finished. Join us at the pool pavilion as we bring our monthly meeting back outside. For the months of June, July and August we will start at 6:30 in the fresh air and sometimes freshly mowed grass smell. Our evenings can be unpredictable so be prepared with a light jacket. Beverages are allowed in the park. (no glass please) Please feel free to contact CWCAtalk@gmail.com with any other ideas you would like for us to work on. You can also connect with us if you feel you have some time & talents to share with the community. Stay safe and stay healthy in 2021.

Questions? Questions?

The association receives emails and voicemails each month. We felt this one was worth adding to the newsletter. "I recently moved into Columbine West and received a Friendly Letter from the CWCA addressing my RV camper and where it was stored. My house has an extra large driveway and it made sense to park my RV there. Can someone tell me what the problem is?" The Columbine West Civic Association, Covenant Control Group (CCG), can answer that question. Columbine West covenant C-6 states "No trailer, trailer camper, boat, truck camper, or like mobile unit shall be permitted to remain upon any lot or public right-of-way either temporarily or permanent unless hidden from view in such a way as to not be a public nuisance in the opinion of the Architectural Control Committee." The ACC requires these vehicles to be hidden behind a 6' stockade fence style structure. Our Covenants were put into place by the builders of CW over 40 years ago. These rules and restrictions are signed at closing and run with your property deed. When you purchase into Columbine West you do not need to pay Membership fees, but you still need to abide by the Covenants, which can cause confusion by our "voluntary membership" status. The covenants help to protect the residents of our community. Remember to lock up your trailer, boat, etc to effectively reduce the occurrence of theft. Nearby RV storage areas are available for storage if your property doesn't allow proper storage options. Our Covenant Control Group monitors the 1,500 homes we have within our neighborhood boundaries. Please do your part to reduce the number of violations reported. You can contact the Covenant Control Group at CWCAtalk@gmail.com if you need further information pertaining to correct storage on your property.

Waterton Canyon Two-Week, Weekday Closure

Annual trail maintenance project will lessen dust and enhance recreational experience. Weekday access to Waterton Canyon will be closed from Tuesday, June 1, through Friday, June 11, for Denver Water's annual dust mitigation project. Neither the parking lot at the canyon's entrance nor the canyon will be accessible during this time. Waterton Canyon will remain open on Saturday, June 5, and Sunday, June 6, for weekend recreation. As a working facility, there are times when operations and maintenance projects create unsafe conditions for the public, prompting us to close trail access. Denver Water performs maintenance projects like this one to provide for a better experience throughout the canyon by creating optimal conditions for a family-friendly hiking and biking experience. "Waterton Canyon is an extremely popular recreation destination, and we recognize that the two-week, weekday closure is an inconvenience," said Brandon Ransom, manager of recreation for Denver Water. "By taking the time to reduce the dust early in the season, we'll be able to provide a better experience for hikers, bikers and runners throughout the rest of the summer." Hikers and bikers on the Colorado Trail should seek alternative access points, which can be found at www.coloradotrail.org/waterton, during this time. For more on why Waterton Canyon is such a great attraction — and why we've so often had to close its gates — read, "The 'trails' and tribulations of Waterton Canyon" on TAP at <https://www.denverwater.org/tap/trails-and-tribulations-waterton-canyon>. Please Welcome Newest Board Members

I asked Jenn "When did you move into Columbine West?" "We are new to the neighborhood as of November 2020. We moved from across town (Federal/Bellevue) where we had been renting. We are a family of (4) 2 parents, 2 kids and a GIANT dog, we could not be happier to be in the neighborhood." "What do you enjoy most about Columbine West?" "Everyone we have met has been incredibly friendly. We also are excited about the events from CWCA and the parks and pool and proximity to trails." "What interested you in joining the Association?" "I can tell there is pride for the neighborhood and often Boards are over worked and underappreciated. I wanted to get involved to assist where I can." "What talents do you bring to the Board?" "I am an event planner and love hosting events. I also love to bake and will share that skill as well." So many thanks go to Jenn for stepping up and becoming the Chair for Dumpster Day 2021. Please say "Hi" to Jenn when you attend the event. We are all very appreciative of your attention to details.

I asked Alexis, "When did you move into Columbine West?", "We bought our home in 2010 after living in the Conifer area for a few years. We came from St. Louis where my husband was born and raised and that's where we met. My husband is Paul and we have a son Solomon who attends Dutch Creek Elementary". "What do you enjoy most about Columbine West?" "We love being tucked in the Southwest corner of Littleton, right up against the Foothills, close to everything you need and yet also so close to open space, Chatfield State Park & Clement Park."

"What interested you in joining the Association?", "I care deeply about this neighborhood and it's future, I see the pride that families take in making their homes look good. A new generation of families has moved in and I wanted to be a part of my community and bring people together." "Talents you bring to the Board?" "Efficiency, gumption and a sense of humor." (Alexis was our Easter Bunny for the Egg Hunt this year).

At the latest FHPRD board meeting the initial design concepts and plans were unveiled for the Columbine West Pool improvements, set to take place after this summer. They include a brand new pool house, changing rooms and family bathrooms, outdoor showers, concessions and front entrance. The lap pool would be refurbished to a zero depth beach entry pool with play features while still retaining a place for lap swimming to take place. The Dive pool will be redone with added play features and a drop slide. There will be added ADA accessible parking spaces and entry. The designs were fresh, modern and very exciting. The plans will be presented to the public and open for feedback and we will keep you up to date as information flows.

A Dutch Creek trail extension is also in the works so stay tuned...

Update: Red, White and You Cancelled

FHPRD have had several discussions and meetings with a variety of staff members to continue to discuss the feasibility of holding Red, White and You.

After much conversation and a thorough analysis by the staff responsible for the event, it is their recommendation not hold Red, White & You and instead focus their efforts on 2022.

Yard of the Month Returns

The first winners for 2021 are Angie and Michael Switzer, at 7681 W Ottawa Pl.

Angie and Michael have lived in Columbine West for about 18 Years, raising their four children in the process. They fell in love with the neighborhood and neighbors, and have one of the better Mountain/Fireworks views on top of our hills. Angie and Michael Switzer have been working hard on their front yard for the past few years. A lot of the Xeriscape Design includes rocks that Angie and the family have collected on their hikes through the years. Take a drive or walk by the Switzers house to get a glimpse of what potential lives in your own front yard. As winners of the Yard of the Month, the Switzers will have a sign in their yard and received a Cash prize!! If you know of a yard that's deserving of this award, please contact John Basila, our Sponsor and local Realtor® at columbinerealtor@gmail.com.

Growing Potatoes

How about a 'shout out' to local neighbor, Alex Matthews and his family. Last year Alex asked the neighborhood through Nextdoor.com if they would drop off their leaf bags to his home. Alex had an idea. He was looking to create his own compost for a gardening adventure and potentially a small family run business. He has a backyard that is pretty expansive and backs up to the school playground. He also has two kids that are totally engaged in the process of growing their own veggies. All of this sounds like a win-win for Alex. Here is what Alex recently wrote, a wise man once said, "Nothing grows better together than peas and potatoes... in a bag." That probably isn't a real saying, but it's true! We can grow amazing veggies anywhere using grow bags. Peas and potatoes are just one of the endless combinations. You can improve an area of your property at the same time.

Easy way to pretty up an area

- Lay cardboard down to smother weeds.
- Add 3 inches of mulch. I use straw or wood chips.

Grow peas and potatoes together in grow bags

- Place the grow bag on top of your newly beautified space.
- Add 4" of soil to the grow bag. You can use soil from your property or purchase potting soil.
- Place seed potato.
- Add 3" of soil on top of seed potato.

- Add the pea seeds.
- Top it off with 2" of old leaves or straw.
- Water 1 or 2 times each week.
- You'll have sweet peas all summer and great potatoes in August!

Pea and potato grow kits are available on our online store and we deliver. www.localline.ca/columbine-microfarm. Look for us at the Aspen Grove and Clement Park farmers markets starting June 16th. For more information please email: ColumbineMicroFarm@gmail.com.

Neighborhood Real Estate Update

Columbine West's Real Estate Market is booming, to say the least! While Littleton's Average Sales Prices are up 13.7% so far in 2021, Columbine West Average Sales Prices are up 17.1%! While Interest Rates remain low, demand is up. In Columbine West, we historically sell about 7 homes per month. In 2021, we were averaging 3 Sales per month, only 42% of what is normal. This limited inventory & high demand is driving up prices. So far in 2021, the average home in Columbine West has sold for 7% Over List Price. And, while we normally have homes on the market for 13 Days, now they are only lasting for 3 Days. Experts predict that appreciation will slow down in the next few months, but don't expect prices to drop.

Great Horned Owls (Bubo Virginianus)

The Nextdoor social media site has offered neighbors so many surprises and this is yet another one. On South Pierce, at the entrance to the green belt, a very large tree is the newest house for these amazing animals. Many residents are stopping to get a glimpse. A Nextdoor poster has written "I'm sure you have all seen these spectacular nesting "Tiger Owls" a warning if you are acting foolish or aggressively they will attack. I have seen the male (smaller than the female) They will swoop down and injure you. Fierce hunters and top predator's. Please be safe and enjoy these Apex predators. They are beautiful!"

Lots Of Space Rocks Hit Earth Every Year

We think of outer space as empty, but actually it contains clouds of rocky dust, and a lot of it ends up on the surface of the Earth every year.

According to the Science News website, scientists in Antarctica collecting micrometeorites from three snow pits eventually dug up more than 2,000 small space pebbles during three summers across two decades. They then extrapolated from this sample to calculate that the Earth receives some 5,200 metric tons of rock from outer space every year.

We Love Your Photos!

Hey Columbine West neighbors, we are looking to highlight our area around us. The CWCA is looking for those images to share in the monthly community newsletter. Got an eye for birds, clouds, landscapes or artistic representations? Since our newsletter prints color photos now we would like to highlight some extra creativeness. Please send your submissions to CWCAtalk@gmail.com or nemccombs@yahoo.com. Looking forward to sharing with the community. Thanks, Natasha (Newsletter Editor)

Waste & Recycling Workers Week

June 13-19 - During this special week of celebration, join together to thank the hardworking women and men who show up daily to keep our neighborhoods and streets safe and clean. Taking the time to simply say "Thanks" goes a long way.

Duane sells more homes in the Columbine area than any other broker!

Duane's extensive knowledge of real estate, top success rate in the marketplace, and high level of professionalism, combined with the ultimate goal of satisfying his clients, are all on display from the first time you meet him. T. H.

We have sold three homes now with Duane as our Realtor. We trust Duane's instincts for many reasons; he has been in the Denver market his whole life, he is a certified Realtor, and perhaps most importantly, he is a licensed attorney as well. Talk about having an advocate by your side! K. H.

Selling our home was a very smooth process, thanks to Duane. We would highly recommend him to our friends and anyone in need of a very professional Realtor. J. & C. T.

Thank you for being so helpful and honest. Your care and concern sets you above! K. L.
