The President's Message

Good Day Folks,

It has been a rough few years with all the shutdowns and restrictions. We had to cancel a lot of events over the last few years, and are finally able to start doing events again. Last year, we managed to hold a stripped down Fourth of July Celebration, one Music in the Park, Halloween in the Park and Santa in the Park. We also sponsored the fall yard sales. Unfortunately, along the way, we have had a lot of folks resign from our board, which makes doing events difficult. We just did not have enough folks available to do Easter in the Park this year, which is one of our most labor-intensive events even though it only lasts about a half hour once the children arrive. Spring yard sales did happen though. So, it is definitely time to rebuild the organization. I am asking if you have any interest in the LVRA continuing to please attend our June meeting which will be held in Carl Frye Park on Monday, June 13 at 6:00 PM. We will be finalizing the plans for the July 4 celebration and Annual Meetings as well as putting together a slate of candidates for the board and will appreciate any input from the residents on who you would like to represent the community in the next year. We also are looking for folks to volunteer and help plan our upcoming events. I look forward to seeing you there.

PRAIRIE TOWNSHIP FARMER'S MARKET

5955 West Broad Street, Columbus, OH 43119

If it's healthy, locally produced fruits, veggies, herbs, pork, chicken and eggs you're looking for, the Prairie Township Farmer's Market has it all! We invite you to join us every Monday, where you can find a variety of delicious produce, sold to you directly from local farmers including Hoffman's Farm Market, Kuhlwein's Farm Market and Elfrink Farms. Our market also offers a variety of specialty vendors including jams, jellies, breads, dips, pasta sauces, pork, bratwursts, soaps and more.

The Prairie Township Farmer's Market is a part of SNAP (formerly known as Food Stamps) and we are excited to participate in the Produce Perks program again this year, which provides a dollar for dollar match up to \$20 to SNAP customers to spend on fruits and vegetables. That's up to \$20 free dollars to spend on fresh produce. Buy a little and get a lot! It's the healthy way to stretch your SNAP dollars. All you need to get started is to bring your EBT card to the market information tent to get started.

While there will be some changes to the market due to COVID-19, our hope is to provide healthy food access for the community. We will be implementing social distance and sanitation measures to ensure that both you and our vendors feel safe at the market.

The Prairie Township Farmer's Market runs from June 20 to September 19. (NO MARKET ON July 4, August 29 and September 5.) The market is available Monday evenings from 4-7 pm. It is located at the Prairie Township Community Center on 5955 West Broad Street. Contact us at 614-907-7990 for any questions. TIPS AND RECENT CRIME

In the last couple of months, we have had an increase in the number of Catalytic Converter thefts in the Lincoln Village area. To help prevent this we advise to park vehicles in well lit areas and areas that if a video security system is present the vehicle can be seen on the video.

To go along with the last point keep your vehicles locked, especially if the vehicle is parked outside and valuable items are kept inside it overnight.
