**Results of Annual Meeting**

On January 14, 2009 the Association held the Annual HOA meeting and election of Board Members. The election of the Board of Directors was invalidated by the Inspectors of Election. The Inspectors determined that the election was not fair to all members. The actions taken by the Inspectors of Election and the Board have been challenged. The challenge has resulted in the filing of Case No. 39-2009-00202004-CU-MC-STK. There is a hearing set before a Judge. The Judge will render a decision and the Board will abide by the decision of the Judge.

The ballot containing envelopes delivered or mailed to the Association have not been opened and are in the custody of a firm appointed by the court.

**If you included your check for your Association dues in your ballot containing envelope please issue a replacement check. The Association does not know when, or if, the ballot containing envelopes will be opened.**
