SMRA DINNER CLUB

Many men do not understand that the need for fellowship is really as deep as the need for food, and so they go through life accepting many substitutes...

Accept no substitutes! Get both food and fellowship at the SMRA Dinner Club. If you have participated before call me to 'register', skip to the dates below, and put them on your calendar. If you've not tried it, why not now? All Sugar Millers are invited. It's a great way to meet neighbors or reconnect with those you already know. We'll meet for 4 dinners between October and May. Start off will be a group dinner on October 24 at a local restaurant. Then depending on the number of people interested you will rotate in smaller groups for the next 2 dinners or do what we did last year with fewer couples and all meet together. The final dinner on May 22, 2010 will be the whole group again. Each smaller group will have on couple designated as the 'host' and they will plan the details of the evening. As 'host' you may select a restaurant and make reservations or invite group members to contribute courses to a meal in your home. This past year we all just ate at homes in our neighborhood as our group was fairly small. We hope you'll join us!!

Scheduled dates:

October 24, 2009

January 23, 2010

March 20, 2010

May 22, 2010

These dates are flexible to suit the members in the small groups. Call Kathy Burdick 877-7119 (don't be afraid to leave a message!)

NEWS ON BATESVILLE ROAD DEVELOPMENTS

As you all will have noticed the old Hendley Hills development is finally being developed, with the start of cleaning up and having landscaping done!

The first Public Hearing on the Abington Park development was held on September 14 and Sugar Mill was represented by the President of Barrington Park HOA, Mr. Bo Bruce. Also our petition was submitted. Mr. Bruce discussed 5 main topics: Development out of character with the existing communities as the rezoning requests multi-family development; traffic; safety; submission of signed petitions from Barrington Park, Ascot, Sugar Mill and Sugar Creek; property in question was rezoned 2 years ago to R-12, why not keep this existing zoning. All present at the meeting voted against the rezoning, except for the developer and his staff.

The rezoning process will now continue through various stages and it would be helpful if all residents opposing this development could send out emails to the County Council members expressing so. A separate email to each member would be best. County Council emails can be found at:

www.greenvillecounty.org/County_Council/members/Member_Information.asp.

Simply click on each council member's name and send them an individual email and tell them you are in opposition to the rezoning of the property located at 751 S. Batesville Road in Greer and then give them your name and address.

THANK YOU FOR DOING SO!!!
