Dan Mullinix**

1623 Bold Cypress—Yard of the Month

Lots of color and creativity match a well groomed yard. Very neat in appearance.

1525 Juniper Lane—1st Runner Up

Beautifully and consistently manicured lawn and shrubs. Well done!

2937 Bent Tree Drive—2nd Runner Up

Roses in bloom in a pebble covered flower bed and new plantings in the front along with well maintained grass make a nice street presentation.

Rain in the greenbelt
